CELEBRATIONS ACROSS WEST ARNHEM

West Arnhem's vibrant communities celebrated Australia Day their own way on Friday, 26 January and Saturday, 27 January 2024.

GUNBALANYA
Gunbalanya Day was celebrated with one of the most popular activities - a fishing competition!

It seems the fish took the day off biting too with only two caught in the competition.

For the categories which weren't won, a new plan will be announced.

However, we are pleased to announce Traditional Owner Yvonne Gumurdul won biggest fish with a 40cm catfish. In footy you might say home ground advantage. Yvonne will take home a \$100 store voucher.

Thanks to all who joined us for fishing and barbecue breakfast.

However you spent the day, we hope it made you happy!

Special thanks to TeamHealth, Gunbalanya Meats, ALPA, Gilly and the WARC crew.

WARRUWI

Waruwi Mardbalk Day kicked off with a wonderful smoking ceremony, singing and dancing performed by numerous staff and community members. Andie, Matt and our little community helper Fantasia cooked up a lovely pancake breakfast with Geri and her daughter Anna serving. Face painting seemed to be a highlight with the younger community members, along with a painting a banner to be used for future Mardbalk Day celebrations. Tea, coffee and cakes were served to our senior community members who were brought up by Ida and Jamie from Aged Care.

Unfortunately the bad weather put an end to any outside activities but despite this fun was had by all.

The day ended with a barbecue cooked by Jamie (YSR) and helpers along with salads donated by Ajurumu Store.

A big thanks and shout out to Geri Narul for putting the event together and coming back from Jabiru to assist, Jenny I (TO and Night Patrol), Aged Care Team, Jamie (YSR), our Media guy and CSM Matt and for everyone who stayed behind to help clean up.

MANINGRIDA

Maningrida Day on Saturday, 27 January brought lots of families together at the pool, enjoying the barbecue, scavenger hunt, turtle races, kicking the football and an art competition.

Embracing the spirit of the day, everyone got involved in creating the 'Maningrida Day' banner with the kids decorated using their hand prints.

GUNBALANYA COMMUNITY SAFETY TEAM BONDING

West Arnhem Regional Council's Community Safety team in Gunbalanya met up for a toolbox talk which Ralph (A/ Wellbeing Service Coordinator) conducted.

Staff are really happy to be using compound again, and with all the wet weather we have been having, this gives them a chance to dry off and warm up.

It's great to see full crew back in swing at the toolbox talk where there was discussion around ensuring the safety of everyone, bike patrol and encouraging staff about the importance of wearing uniforms. By looking the part, you play the part. Be proud and have pride in representing your community. Staff came up with some brilliant ideas on engaging with community more, by liaising directly with community in having monthly barbecues. This gives them an opportunity to speak freely if there are any problems out in community and appreciate any feedback.

Your risk is greater if you have diabetes, kidney disease, drink too much alcohol, or have a weakened immune system.

Protect yourself from melioidosis

- Wear shoes during the wet season
- Wear gloves when working outside
- Wear a mask when using a high pressure hose
- Stay indoors during storms
- Take it easy with alcohol
