In **Warruwi**, the community is set to gather at Warruwi Hall at 12 noon on Sunday, 26 January. The day will start with a Smoking Ceremony followed by Citizen of the

Year Awards. Activities include traditional dancing, a tug-o-war, sprint games, a didgeridoo competition, and spear throwing. Families and children will also enjoy a colouring competition, water play, and a barbecue.

In **Minjilang**, the celebration will begin at 11.30am with a barbecue lunch. This will be followed by children's colouring competitions and fun water activities, creating a joyful atmosphere for everyone.

Maningrida Day will run from 1pm to 5pm at the Maningrida Pool. Activities include a kicking accuracy competition, three-legged races, a scavenger hunt, casting competitions, and pool fun. Community members can also look forward to cool prizes and a delicious barbecue lunch.

The **Jabiru** community will be holding their event on *Saturday, 1 February*, at

the Jabiru Pool. The day begins at 2pm, following the Jabiru Bombers home games. Community members can enjoy a childcare zone, cricket matches, tug-o-war, races, thong tosses, and plenty of pool toys. A late lunch will be provided, and the Citizen of the Year Awards will be announced to honour outstanding members of the community.

WARRUWI SHADE STRUCTURE UPGRADED

One of the main shade structures in the Warruwi community has received some upgrades, thanks to the incredible support of the Warruwi Local Authority.

After identifying that the previous shade was torn and perished, the Local Authority supported upgrading the structure with new cloth and strengthening the rafter support beams.

This work was carried out by West Arnhem Regional Council.

The upgraded shade cloth is made of a superior

waterproof and fire-retardant material, ensuring its durability and safety for years to come.

Located near the Warruwi Clinic, this revitalised structure has once again become a central meeting point for the community.

JOINT LIBRARY AND YSR INITIATIVE

On the evening of Thursday 16 January 2025, the inaugural Jabiru late night gaming event was held at the Jabiru Library.

The late-night gaming event is a joint initiative of West Arnhem Regional Council Jabiru Library and Youth, Sport and Recreation team.

The event is targeted at young people between 11 and 18 years of age and aims to provide a safe space to undertake gaming on PC's, PlayStation as well as more traditional gaming such as table tennis and board games.

The evening was a success and saw numerous young people attend to enjoy what the program has to offer.

They also enjoyed a feed of hot dogs and pop corn to accompany their gaming experience.

The initiative will continue throughout the school holiday period with plans to

continue the event once a fortnight even throughout the school term.

"Was a success and saw numerous young people attend to enjoy what the program has to offer.."

A big shout out to Jabiru Librarian Jillian May for her proactivity and vision relating to this event!

Jabiru Librarian Jill May said, "The late-night gaming nights are a wonderful opportunity for our slightly older participants to enjoy gaming and hanging out with friends in a relaxed and safe environment. With the success of our first event, I look forward to seeing how the event develops over the coming months."

COMMUNITY CARE SERVICES

Pictured is West Arnhem Regional Council's Community Care Senior Officer Ida Waianga in Warruwi who is assisting Douglas Djalanba to complete forms following his referral to access services through the My Aged Care webpage.

Ida, who works tirelessly to support his community and promote aged care services, had been approached by Mr Djalanba who advised he would like to access the meals on wheels and receive some help at home.

To assist, Ida started the process of helping Douglas with his referral on the My Aged Care webpage with a minor helping hand from Lee in Jabiru. Ida then helped Douglas to fill out other important forms afterwards.

If you know of someone in your community who would benefit from aged care services, contact the service in your community or talk to your local Council Services Manager. To be eligible for aged care services, Indigenous applicants must be at least 50 years old and be assessed as suitable to receive services.

Ida Waianga, Warruwi's Community Care Senior Officer said, "I love my community and enjoy being able to help the older people with providing them breakfast and lunch with meals on wheels and at home help if they require assistance or items for their daily life. I am happy to

Warruwi's Community Care Senior Officer Ida Waianga, with West Arnhem Regional Council, assisting Douglas Djalanba.

help people fill the forms who enquire about accessing aged care services, and always looking for people who I think would benefit from this service."

COLLABORATIVE SCHOOL HOLIDAY PROGRAM

In December 2024 the Minjilang Sport and Recreation team held their first 'Minjilang Master Chef and Fishing day' as part of their jam packed school holiday program. Due to popular demand, on Friday 17 January 2025, West Arnhem Regional Council's Sport and Recreation team in Minjilang held the second round of 'Minjilang Master chef and fishing day' which was another huge success. The series was designed to support healthy food choices and connection to culture and shows our teams

dedication to their community. Well done once again to our Minjilang Sport and Recreation team!

Sport and Recreation Officer Sophia Lee said, "The kids responded really well to our first session of 'Minjilang Master Chef and Fishing' and so we really had to make sure we did it again for them before school goes back. It is so nice spending time with the kids, teaching them about cooking healthy food and sourcing their own bush tucker from the ocean! It was a really fun day had by all".

AGED CARE JOINS IN HOLIDAY ACTIVITIES

On Friday, 17 January 2025, West Arnhem Regional Council's Jabiru Youth, Sport and Recreation team, along with the Kakadu Community Care Team hosted a day of fishing including youth participants and aged care clients.

The trip saw participants travel to Magela Creek, Silver Bridge, Nourlangie Creeks (1, 2 and 3) as well as Airport Creek.

Although the fishing was a little tough, the target species barramundi was caught and a great afternoon was had by all!

What was really special was observing the interaction between the youth participants and the aged care clients which included a healthy mix of cheeky banter and solid advice.

This has certainly been a highlight activity

held during the school holiday so far.

"What was really special was observing the interaction between the youth participants and the aged care clients..!"

Council's Wellbeing Services Coordinator for Jabiru Aden Reeves said, "I loved to see the enthusiasm for this event from both the youth and aged care participants. It was great to spend a day in nature learning new tricks both from our youth and our aged care fishers."

NT Health is urging Top End residents and visitors to protect themselves from the salt marsh mosquitos as numbers are expected to increase, following heavy rainfall and high tides.

Elevated saltmarsh mosquitoes numbers can be expected between now and January.

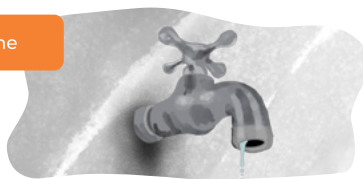

To minimise the chance of being bitten by mosquitoes people should:

- Wear protective light-coloured clothing with long sleeves, long trousers, and ankle protection with socks, in mosquito-prone areas
- Use a protective repellent containing DEET, picaridin or oil of lemon eucalyptus (PMD) and other mosquito protection devices as a supplement to protective clothing when outdoors in areas of mosquito activity
- Avoid exposure to coastal swamps and mangrove areas
- Use mosquito coils, lanterns and barrier sprays in outdoor areas and near the home to prevent mosquitoes from entering houses.
