The Gunbalanya Community Day, held on Sunday, 26 January, was a resounding success, bringing together stakeholders and community members for a day of fun, skill-showcasing, and community spirit.

"Camaraderie between stakeholders and community and built on Gunbalanya's strengths.."

The event, which took place at the Gunbalanya Oval, featured a diverse range of activities that catered to all ages and abilities.

Over 200 participants enjoyed a slime/colour fun run, spear throwing

competition, tug of war, adult sprints, footy, basketball, and an exciting dance-off with lots of prizes and a feed for all.

These activities not only provided entertainment but also highlighted the physical, social, and emotional benefits of community engagement.

The day was made possible through the efforts of various organisations, including Australia Day Council, West Arnhem Regional Council,

TeamHealth, AFL NT, Adjumarrlarl, ALPA CDP, Injalak, and Gunbalanya Meatworks.

Community members were also recognised for their contributions to Gunbalanya, reinforcing the event's focus on celebrating local achievements.

The activities were carefully selected based on community input, ensuring high levels of participation and enjoyment.

The spear throwing competition, in particular, allowed participants to showcase their cultural knowledge and skills.

The Gunbalanya Community Day provided a safe, family-friendly environment where people of all ages could interact with each other and with stakeholders.

The event was assist by the Australian Government through the National Australia Day Council.

PROTECT YOURSELF AGAINST MELIOIDOSIS

NT Health is warning Territorians and visitors to the Northern Territory (NT) to be on high alert for melioidosis.

Melioidosis bacteria live deep in the soil. Heavy rain at the start of the wet season brings the bacteria to the surface, increasing the risk of exposure.

Melioidosis bacteria most commonly enter the body through cuts and sores, so it is important to cover and protect your skin where possible. Melioidosis often causes lung infections presenting with fever, cough and shortness of breath. It can also affect many parts of the body causing abscesses and sores that don't heal.

Most people experience the first symptoms of melioidosis one to 21 days after exposure to the bacteria.

If left untreated, melioidosis can lead to severe pneumonia and blood poisoning, with around 10 per cent of infections in the NT leading to death.

The risk of melioidosis is greater in those who may be immunocompromised by diabetes, heavy alcohol consumption (including binge drinking), kidney or lung disease, immunosuppressive therapy

especially with steroids, and those with cancer or advanced age.

To protect yourself against melioidosis, it is important to:

- Wear covered waterproof footwear when outdoors
- Wear gloves while working in the garden or a soil-based environment
- Wash and cover sores and abrasions with waterproof dressings
- Wear a face mask while using high pressure hoses around soil and paths
- Stay indoors during heavy wind and rain
- Seek medical attention early.

Everyone, particularly those people with high risk factors, need to take action to protect themselves from melioidosis. Anyone concerned about having melioidosis symptoms should seek medical advice.

More information on melioidosis is available at: <https://nt.gov.au/wellbeing/health-conditions-treatments/bacterial/melioidosis>

MANINGRIDA CHANGEROOMS TAKING SHAPE

West Arnhem Regional Council is thrilled to announce significant progress on the new Maningrida Changerooms project.

"We are proud to see this amazing project taking shape and look forward to its completion.."

The construction is moving along swiftly,

with first coat of blockwork painting underway, and steelwork nearly.

In the coming weeks, residents can expect to see further developments as the roof sheets, which have already been ordered, are installed. Following this crucial step, the team will proceed with the installation of the roof sheets on the cantilever roof grand stand.

This project, supported by the National Indigenous Australians Agency (NIAA) and managed by West Arnhem Regional Council, represents a major investment in community infrastructure.

The new oval changerooms are set to be a game-changer for Maningrida, enhancing sporting facilities.

West Arnhem Regional Council is committed to delivering high-quality projects that benefit our communities. We are proud to see this amazing project taking shape and look forward to its completion.

The Council will continue to provide updates as the project progresses. We thank the Maningrida community for their patience and enthusiasm during the construction phase.

Announcing the NAIDOC 2025 Theme: "The Next Generation: Strength, Vision, Legacy".

As we celebrate 50 incredible years of NAIDOC Week, we honor the achievements of the past while looking boldly to the future.

This year's theme is a tribute to the resilience of our communities, the vision of our leaders, and the strength of the next generation.

From the wisdom of our Elders to the courage of our youth, NAIDOC 2025 is about building a legacy of unity, respect, and self-determination.

Join us as we commemorate this powerful milestone and celebrate a movement that continues to grow, evolve, and inspire.

Together, we walk forward, honoring where we've come from and embracing the bright future ahead.

The National NAIDOC Poster competition has

become an iconic feature of National NAIDOC Week and has a rich and significant history beginning in 1967 when the National Aboriginal and Islander Day Observance Committee (NAIDOC) first began producing posters. NAIDOC posters have been exhibited by various Australian cultural institutions such as the National Museum of Australia and reflect not only the many significant social changes that have occurred since 1967 but also the evolution of art over the years.

Each year the National NAIDOC Poster Competition encourages Aboriginal and Torres Strait Islander artists aged 16 years and over to submit their artwork which reflects that year's National NAIDOC Week Theme.

How to enter

To submit an entry visit the NAIDOC website.

The Poster Competition closes on Sunday 23 February 2025, 11:59pm (AEDT).
