

WARRUWI LOCAL AUTHORITY TUESDAY, 11 MARCH 2025

Notice is hereby given that a Local Authority Meeting of the West Arnhem Regional Council will be held in Warruwi on Tuesday 11 March 2025 at 10:00 am.

Ben Waugh Interim Chief Executive Officer

Code of Conduct: The Local Government Act 2019

As stipulated in Schedule 1 of the Act, the Code of Conduct for Members is as follows:

- 1. *Honesty and Integrity:* A member must act honestly and with integrity in performing official functions.
- 2. *Care and diligence:* A member must act with reasonable care and diligence in performing official functions.
- 3. *Courtesy:* A member must act with courtesy towards other members, council staff, electors and members of the public.
- 4. *Prohibition on bullying:* A member must not bully another person in the course of performing official functions.
- 5. *Conduct towards Council staff:* A member must not direct, reprimand, or interfere in the management of, council staff.
- 6. *Respect for cultural diversity and culture:* A member must respect cultural diversity and must not therefore discriminate against others, or the opinions of others, on the ground of their cultural background.

A member must act with respect for cultural beliefs and practices in relation to other members, council staff, electors and members of the public.

- Conflict of interest: A member must avoid any conflict of interest, whether actual or perceived, when undertaking official functions and responsibilities.
 If a conflict of interest exists, the member must comply with any statutory obligations of disclosure.
- Respect for confidences: A member must respect the confidentiality of information obtained in confidence in the member's official capacity.
 A member must not make improper use of confidential information obtained in an official capacity to gain a private benefit or to cause harm to another.
- 9. *Gifts:* Members must not solicit, encourage or accept gifts or private benefits from any person who might have an interest in obtaining a benefit from the council.
 A member must not accept a gift from a person that is given in relation to the person's interest in obtaining a benefit from the council.'
- 10. *Accountability:* A member must be prepared at all times to account for the member's performance as a member and the member's use of council resources.
- 11. Interests of municipality, region or shire to be paramount: A member must act in what the member genuinely believes to be the best interests of the municipality, region or shire. In particular, a member must seek to ensure that the member's decisions and actions are based on an honest, reasonable and properly informed judgment about what best advances the best interests of the municipality, region or shire.
- 12. *Training:* A member must undertake relevant training in good faith.

THAT THE LOCAL AUTHORITY accepts the agenda papers as circulated for the Warruwi Local Authority meeting held on 11 March 2025.

LEGISLATION AND POLICY

Section 92(1) *Local Government Act 2019*. Council's Scheduling and Conduct of Meetings (Elected, Local Authority and Council Committee Members) Policy.

STRATEGIC IMPLICATIONS

This report is aligned to the following pillars and goals in the *Regional Plan and Budget*: **PILLAR 6 FOUNDATIONS OF GOVERNANCE**

Integrity is at the heart of everything we do. We are leaders of best practice and excellence in governance, advocacy, consultation and administration. Our processes, procedures and policies are ethical and transparent.

Goal 6.3 Council and Local Authorities

Excellence in governance, consultation administration and representation

Goal 6.5 Planning and Reporting

Robust planning and reporting that supports Council's decision-making processes

ATTACHMENTS

FOR THE MEETING 11 MARCH 2025

Agenda Reference:	5.1
Title:	Disclosure of Interest of Members or Staff
Author:	Jasmine Mortimore, Governance Advisor

SUMMARY

Local Authority Members are required to disclose an interest in a matter under consideration at the Local Authority meeting:

- 1) In the case of a matter featured in an officer's report or written agenda item by disclosing the interest to the meeting as soon as possible after the matter is raised.
- 2) In the case of a matter raised in a general debate or by any means other than the printed agenda of the Council meeting, disclosure as soon as possible after the matter is raised.

Under disclosure, the Member must abide by the decision of the Local Authority on whether they shall remain in the Chambers and/or take part in the vote on the issue. The Local Authority may elect to allow the Member to provide further and better particulars of the interest prior to requesting them to leave the Chambers.

<u>Staff Members</u> of the Council are required to disclose an interest in a matter at any time on which they are required to act or exercise their delegate authority in relation to the matter. Upon disclosure, the staff member is not to act or exercise their delegated authority unless Council expressly directs them to do so.

RECOMMENDATION

THAT THE LOCAL AUTHORITY received the declarations of interest as listed for the Warruwi Local Authority meeting held on 11 March 2025.

LEGISLATION AND POLICY

Section 114 (Elected Members) *Local Government Act 2019* Section 179 (staff members) *Local Government Act 2019* Council's Scheduling and Conduct of Meetings (Elected, Local Authority and Council Committee Members) Policy.

STRATEGIC IMPLICATIONS

This report is aligned to the following pillars and goals in the *Regional Plan and Budget*: **PILLAR 6 FOUNDATIONS OF GOVERNANCE**

Integrity is at the heart of everything we do. We are leaders of best practice and excellence in governance, advocacy, consultation and administration. Our processes, procedures and policies are ethical and transparent.

Goal 6.4 Risk Management

The monitoring and minimisation of risks associated with the operations of Council.

FOR THE MEETING 11 MARCH 2025

Agenda Reference:	7.1
Title:	Invited Guest - NT Police
Author:	Jasmine Mortimore, Governance Advisor

SUMMARY

The purpose of this report is for the NT Police and Local Authorities to discuss issues and concerns in their communities. These discussions are supported by the MoU between West Arnhem Regional Council and the NT Police.

RECOMMENDATION

THAT THE LOCAL AUTHORITY noted the update on Law and Order by the NT Police.

BACKGROUND

At various times, the Authority requests that presentations be made so that issues can be raised and information shared.

STRATEGIC IMPLICATIONS

This report is aligned to the following pillars and goals of the *Regional Plan and Budget*:

PILLAR 1 PARTNERSHIPS, RELATIONSHIPS AND BELONGING

Investing in relationships and partnerships at all levels supports and strengthens community and belonging. We prioritise the value of partnerships and relationships as a key determinant of a happy, strong and thriving community.

Goal 1.1 Community Engagement

Seek out and support diverse perspectives and collaborations with community, community leaders, businesses, agencies and local service providers to enhance community life.

ATTACHMENTS

ATTACHMENTS

FOR THE MEETING 11 March 2025

Agenda Reference:	8.1
Title:	Finance Report to December 2024
Author:	Jocelyn Nathanael-Walters, Director of Finance

SUMMARY

This Local Authority Finance Report is for the period 1 July 2024 to 31 December 2024 (the first six months of the 2024-25 financial year) for Warruwi.

RECOMMENDATION

THAT THE LOCAL AUTHORITY receive and note the report titled *Finance Report to December 2024*.

BACKGROUND

This Local Authority Finance Report includes a report on:

- Revenue and expenses that relate to the community as compared to the budget; and
- The Local Authority Project Funds (LAPF) received balance but not yet allocated to a project.

The progress of Local Authority projects and grant funding activities and community projects have been reported in the Technical Services report.

COMMENT

The Local Authority Finance Report covers the Council's activities and projects within the community. There are activities that relate to Council's Core Services funded by both Tied and Untied, Commercial Services, and Community Services activities. From time-to-time there are some projects that are funded from Council's own money.

LEGISLATION AND POLICY

Clause 10 of the *Local Government Guideline 1: Local Authority* states what a local authority agenda must include. Sub-clause 10.1 says the report from the CEO is to include the progress and financial report on local authority projects and a report on current council services and projects in the local authority area.

FINANCIAL IMPLICATIONS

Not Applicable

STRATEGIC IMPLICATIONS

This report aligns to the following pillars and goals as outlined in the *Regional Plan and Budget*: **PILLAR 6 FOUNDATIONS OF GOVERNANCE**

Integrity is at the heart of everything we do. We are leaders of best practice and excellence in governance, advocacy, consultation and administration. Our processes, procedures and policies are ethical and transparent.

Goal 6.1 Financial Management

Provision of strong financial management and leadership which ensures long term sustainability and growth.

FOR THE MEETING 11 MARCH 2025

Agenda Reference:	8.2
Title:	Review of Action Items
Author:	Jasmine Mortimore, Governance Advisor

SUMMARY

This report is submitted for Warruwi Local Authority to review and discuss the progress on outstanding action items from meetings.

RECOMMENDATION

THAT THE LOCAL AUTHORITY:

- 1. Receive and note the report titled Review of Action Items; and
- 2. Review the outstanding action items and give approval for completed items to be removed from the register.

BACKGROUND

Action items arise out of resolutions of the Local Authority or questions asked by Members. The attached register provides the current status of the action items as provided by the administration. The administration recommends items as complete but it is for the Local Authority to determine whether the item remains active or is complete and can be removed.

COMMENT

The actions that Local Authority resolves to occur are to be acted upon by the administration. This report enables Local Authority to progressively discuss and acknowledge the status of items.

STRATEGIC IMPLICATIONS

This report is aligned to the following pillars and goals in the *Regional Plan and Budget*:

PILLAR 6 FOUNDATIONS OF GOVERNANCE

Integrity is at the heart of everything we do. We are leaders of best practice and excellence in governance, advocacy, consultation and administration. Our processes, procedures and policies are ethical and transparent.

Goal 6.3 Council and Local Authorities

Excellence in governance, consultation administration and representation.

WEST ARNHEM REGIONAL COUNCIL

FOR THE MEETING 11 MARCH 2025

Agenda Reference:	8.3
Title:	Replacement of table and seating to Shade Structure adjacent to Warruwi
	Clinic
Author:	Clem Beard, Project Manager

SUMMARY

This report is for the Warruwi Local Authority to reallocate surplus funds from the existing project of replacing the Shade Structure adjacent to the Warruwi Clinic.

RECOMMENDATION

THAT THE COMMITTEE:

- 1. Receive and note the report titled *Replacement of table and seating to Shade Structure adjacent to Warruwi Clinic*; and
- 2. Approve the variation to scope of works for Replacement of table and seating to Shade Structure adjacent to Warruwi Clinic
 - Option 1: Aluminum Blackbutt Park Table Setting and Seating of \$24,108.60 from available surplus funds; or
 - Option 2: Aluminum Parkland 3m Table 250 ml extrusions of \$10,131.50 from available surplus funds.

BACKGROUND

The Local Authority approved the original budget of \$38,390.00 from the LA Project Funding 2023/2024 to carry out repairs to the Shade Structure WAR45/2024. By way of utilizing a local contractor (Stedman Contractors). The Shade Structure replacement and associated repairs have been completed under budget with a surplus of \$24,173.86.

COMMENT

Due to the current condition of seating and tables as depicted by the attached image the administration is recommending upgrading/replacing the furniture by presenting (2) two options for consideration by the Local Authority.

Option One

LEGISLATION AND POLICY

Council Purchasing Policy to be adhered to during procurement process,

FINANCIAL IMPLICATIONS

Utilisation of existing allocation of funds - Shade Structure WAR45/2024

STRATEGIC IMPLICATIONS

This report is aligned to the following pillars and goals of the *Regional Plan and Budget*: PILLAR 3 SAFETY AND WELLBEING

As an 'Employer of Choice', we provide and promote a positive culture of safety, inclusion and respect. Our people are skilled, informed and have opportunities to grow and develop within our organisation. Services provided to community are professional, impactful, engaging and appropriate to local needs.

Goal 3.4 Community Service Delivery

Provision of high quality, culturally informed programs that support and enhance the safety and wellbeing of community members.

PILLAR 4 SERVICE DELIVERY AND BUILT ENVIRONMENT

We provide high quality infrastructure and service delivery that meets the unique needs of each community, creates a sense of place and contributes towards promoting a sense of pride in community.

Goal 4.1 Strategic Infrastructure and Asset Management

Strategically manage, maintain and enhance community infrastructure.

Title:	Proposal to Develop By-Laws for Warruwi Community
Author:	Ben Heaslip, Information Advisor

SUMMARY

This report seeks Local Authority endorsement to proceed with developing community by-laws, seeks feedback on what type of by-laws you are interested in having, and outlines the process of making community by-Laws.

RECOMMENDATION

THAT THE LOCAL AUTHORITY:

- 1. Receive and note the report titled Proposal to Develop By-Laws for Warruwi Community; and
- 2. Approve/Do not approve the Administration to begin the process of developing by-laws; and
- 3. Provide feedback on the types of by-laws they would like.

BACKGROUND

A report was presented to the November Local Authority meeting raising the possibility of developing by-laws for the Warruwi community. Members indicated they would be interested in developing them.

COMMENT

Council has the authority to make by-laws under the Local Government Act and these by-laws give Council the authority to enforce laws that the community wants. They can only be in certain areas that local councils are responsible for, such as animal management, certain road rules, waste management and noise. They can't override Territory or Australian law.

The process to develop by-laws is outlined in the attachment. It can be a slow process and requires community discussion and consultation. The first step would be to get some feedback from Local Authority Members on what by-laws you would like to be developed. The Administration will then develop a preliminary draft for further discussion.

LEGISLATION AND POLICY

The Local Government Act (s278)

FINANCIAL IMPLICATIONS

Not Applicable

STRATEGIC IMPLICATIONS

This report is aligned to the following pillars and goals of the *Regional Plan and Budget*:

PILLAR 6 FOUNDATIONS OF GOVERNANCE

Integrity is at the heart of everything we do. We are leaders of best practice and excellence in governance, advocacy, consultation and administration. Our processes, procedures and policies are ethical and transparent.

Goal 6.3 Council and Local Authorities

Excellence in governance, consultation administration and representation.

ATTACHMENTS

1. The Process for Making By-laws - 1 page [8.4.1 - 1 page]

PROCESS FOR MAKING COUNCIL BY-LAWS

The process for making by-laws is in accordance with section 278 of the *Local Government Act 2019*.

Preparation stage

- 1. Council decides what type of by-laws it is interested in having.
- 2. A council staff member is chosen to be the "instructing officer". This person will liaise with the Local Government Unit.
- 3. The instructing officer prepares drafting instructions.

Drafting stage

- 4. These drafting instructions must be approved by Council resolution and then go to the NT Government to draft them into by-laws.
- 5. The NTG will prepare the draft by-laws and send them back to West Arnhem for comment and review.
- 6. The drafts will go back and forth between West Arnhem and the NTG until all sides are happy and the draft is complete.

Consultation stage

- 7. A "plain English" explanation of the by-laws is prepared, and this and the draft bylaws go out for public consultation – the Council must pass a resolution before this can happen.
- 8. Council must consider any comments made about the proposed by-laws.
- 9. After consultation a final draft is prepared by the NTG.

Making of the by-laws

- 10. This final draft is then presented to Council who adopt the by-laws by a special resolution of the council.
- 11. Once the council makes these resolutions, the by-laws must be signed by the person authorised to do so (usually the CEO), indicating that the council has resolved to make the by-laws.

Gazetting and tabling of the by-laws

- 12. The authorised by-laws are then sent to the NTG for *Gazetting* and are tabled by the Minister in the Legislative Assembly.
- 13. The by-laws take effect from the day specified in the by-laws.

WEST ARNHEM REGIONAL COUNCIL

FOR THE MEETING 11 MARCH 2025

Agenda Reference:	8.5
Title:	Council Draft Regional Plan and Budget 2025-26
Author:	Ben Waugh, Interim Chief Executive Officer

SUMMARY

The Council must adopt a Regional Plan for the new financial year and the Regional Plan must include, among other items, a budget and long-term financial plan. To develop the Regional Plan input from each of Council's communities is desirable.

RECOMMENDATION

THAT THE LOCAL AUTHORITY receives and note the report titled *Council Draft Regional Plan and Budget 2025-26.*

BACKGROUND

Annual Regional Plan

The Council must have an annual Regional Plan for its local government area in accordance with section 33 and 35 of the Local Government Act 2019 (Act). Included in the Regional Plan is an annual budget, long-term financial plan (LTFP) and other legislative prescribed items such as defined indicators for judging the standards of Council's performance.

Annual Budget

The Council is responsible for setting an annual budget (i.e. the financial parameters) and the CEO and Executive are to refer to that budget to manage and report the operations of the Council for the financial year. The Minister for Local Government's *Guideline5: Budgets* document provides the form in which the budget data is to be presented and section 201 of the Act outlines what must be contained in Council's budget.

Though the Council must have an approved annual budget for 2025-26 by 30 June 2025 the Act, in section 203, does allow the Council to adopt an amended budget(s) during the financial year.

NOTE, according to section 202 of the Act the Council must not budget for a deficit.

Long-Term Financial Plan

The Council is required to prepare and keep up to date a long-term financial plan (LTFP) that relates to at least 4 financial years (i.e. the current budget financial year [2025-26] plus 3 outer years [2026-27, 2027-28 and 2028-29]).

COMMENT

The Minister for Local Government's *Guideline 1: Local Authorities* (clause 10.2) requires once in each financial year a Local Authority meeting agenda to include:

- the council's proposed regional plan; and
- The council's budget for proposed projects for the local authority area for the next financial year.

It is recommended to develop a comprehensive 2025-26 Regional Plan (including budget and LTFP), and to comply with *Guideline 1: Local Authorities*, the first draft Plan and budgets are presented and discussed at the Warruwi Local Authority meeting on 11 March 2025. Input from this LA meeting will then be incorporated into a more formal and complete draft Plan and budgets to be put to Council to

consider, before putting out for public consultation and then final Council approval, before 30 June 2025.

LEGISLATION AND POLICY

Local Government Act 2019 Guideline 1: Local Authorities Guideline 5: Budgets

FINANCIAL IMPLICATIONS

The Council is responsible for managing its resources.

STRATEGIC IMPLICATIONS

This report is aligned to the following pillars and goals of the *Regional Plan and Budget*: **PILLAR 1 PARTNERSHIPS, RELATIONSHIPS AND BELONGING**

Investing in relationships and partnerships at all levels supports and strengthens community and belonging. We prioritise the value of partnerships and relationships as a key determinant of a happy, strong and thriving community.

Goal 1.1 Community Engagement

Seek out and support diverse perspectives and collaborations with community, community leaders, businesses, agencies and local service providers to enhance community life.

PILLAR 6 FOUNDATIONS OF GOVERNANCE

Integrity is at the heart of everything we do. We are leaders of best practice and excellence in governance, advocacy, consultation and administration. Our processes, procedures and policies are ethical and transparent.

Goal 6.1 Financial Management

Provision of strong financial management and leadership which ensures long term sustainability and growth.

Our Communities

The West Arnhem region, located in the Top End of the Northern Territory, is a vast and diverse area spanning nearly 50,000 square kilometres. This unique region is home to five vibrant Communities: Warruwi, Minjilang, Gunbalanya, Jabiru, and Maningrida, each with its own distinct geographical profile.

West Arnhem Regional Council acknowledges the deep connection Aboriginal people have to Country, which is reflected in the strong cultural and linguistic ties across the region.

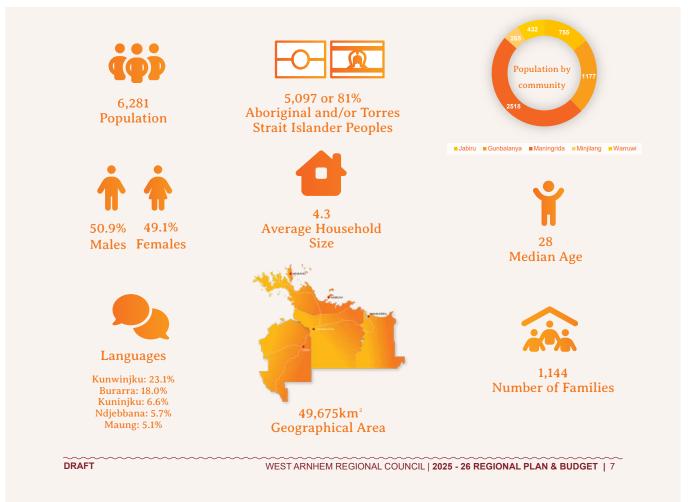

The area is home to approximately 6,281 residents, with over two-thirds identifying as Aboriginal and/or Torres Strait Islander, or 'Bininj' people. The region's Communities are geographically diverse:

- Warruwi (432 people) and Minjilang (265 people) are smaller island Communities in the Arafura Sea
- Maningrida (2,518 people), the largest Community, is situated on the Central Arnhem coast
- Gunbalanya (1,177 people) is located far inland
- Jabiru (755 people) is positioned within the World Heritage-listed Kakadu National Park

Despite the geographical differences, the Communities are united through strong cultural connections, with language, culture, and ceremony playing vital roles in daily life. Clan groups across the entire Arnhem region are connected through cultural song lines.

Our Councillors

About Council

The **Council's** role is to represent, inform, and make responsible decisions for its constituency.

Through the voices of the 12 Elected Members who represent the five Wards, our Council plays an important role in advocating at all levels of government on matters important to the people residing in our communities.

West Arnhem Regional Council holds Ordinary Council Meetings every month, alternating between in person and video conferencing. Two **Special Finance**

Committee Meetings are scheduled for the 2025 – 26 year, with Special Meetings of Council held as required.

The **Risk Management and Audit Committee** and the Kakadu Ward Advisory Committee meet four times throughout a financial year.

Local Authority Meetings are convened four times per financial year for each of the four Local Authorities in the region.

Council

West Arnhem Regional

Committees and Panel

Risk Management and Audit Committee

The Risk Management and Audit Committee is an advisory Committee formed in line with section 86 of the *Local Government Act 2019* that assists Council to achieve good governance by the exercising of due care, diligence and skills in relations to Internal and External Control of Audits and Reporting.

The Risk Management and Audit Committee will meet four times in 2025 - 2026.

Local Authorities

Local Authorities play a critical role by providing Council with informed recommendations and feedback from the West Arnhem communities. The region has four Local Authorities, and each has a minimum representation of six appointed members who reside in the community. For the 2025-2026 year, each Local Authority is scheduled to meet four times.

Pillars

In line with the Local Government Act (the Act), West Arnhem Regional Council has developed a new Strategic Plan, guiding the council's initiatives and actions towards meaningful Community impact. The following Pillars represent the priorities, interests, requirements, aspirations and needs of the Communities within Council.

The Strategic Plan sets out the Council's six main pillars:

Pillar 1 - Partnerships, Relationships and Belonging

- 1.1 Community Engagement
- 1.2 Economic Partnerships
- 1.3 Communication
- 1.4 Community Events
- 1.5 Cultural Awareness Training
- 1.6 Youth Engagement

Pillar 2 - Increased Local Indigenous Employment

- 2.1 Indigenous Employment Framework
- 2.2 Traineeships and Apprenticeships
- 2.3 Policy and Procedures

Pillar 3 - Safety and Wellbeing

- 3.1 Cultural Safety
- 3.2 Health and Safety
- 3.3 Employee Engagement and Training and Development
- 3.4 Community Service Delivery

Pillar 4 - Service Delivery and Built Environment

- 4.1 Strategic Infrastructure and Asset Management
- 4.2 Fleet, Plant and Equipment
- 4.3 Waste and Water Management
- 4.4 Local Road Management and Maintenance

Pillar 5 - Sustainability and Climate Action

- 5.1 Recycling and Waste
- 5.2 Procurement
- 5.3 Education
- 5.4 Policy

Pillar 6 - Foundations of Governance

- 6.1 Financial Management
- 6.2 Records
- 6.3 Council and Local Authorities
- 6.4 Risk Management
- 6.5 Planning and Reporting
- 6.6 Information and Communication Technology

22 | WEST ARNHEM REGIONAL COUNCIL | 2025 - 26 REGIONAL PLAN & BUDGET

West Arnhem Regional Council

Goal	Strategy	Measure	Target
3.4 Community Service Delivery	Programs and services are well planned with activities and expected outcomes identified prior to delivery commencing	Activity plans are developed in consultation with local teams for each service and initiative	100%
Provision of high quality, culturally informed programs that support and enhance the safety and wellbeing of community members	High quality care is provided to all recipients of community services delivered by Council	All staff are provided with opportunities to upskill via access to professional development relevant to their roles and responsibilities	100%
	Service delivery is compliant with the expectations of funders and relevant legislation	Report providing recommendations on service quality and compliance improvement opportunities reviewed and delivered by the Community Support team	100%
		All activities, reports and compliance tasks completed as per contractual arrangement, aged care standards, NDIS care standards	100%
		Timely data/monitoring returns and funding reports delivered by Community Wellbeing team	100%
	Remote Indigenous Broadcasting Services supporting local Indigenous languages are provided across the region	Broadcasters are offered support training opportunities with TEABBA	90%
	High quality early learning activities for child development are delivered	All NQS and ACEQA crèche and childcare standards met	100%
	Strengthen ability to respond to community safety needs, including the provision of staff enrolment in training that enhances and sustains appropriate community safety skills and provide opportunities for professional development	Local staff worked with to increase the competency levels in responding to domestic and family violence, specifically intake, case management and safety planning with clients	2024 - 2025
	Provide to the community well-managed and maintained library collections, including a culturally relevant library	Diversity audit completed and recommendations implemented	2024 - 2025
	collection	Connected Communities: Vision for the Northern Territory Public Libraries 2017 - 2023 enacted as applicable to West Arnhem	100%
	Plan, prepare and present educational and engaging early childhood activities weekly	Weekly early childhood activities are well planned and delivered as per schedule	100%

DRAFT

Pillar 4: Service Delivery and Built Environment

We provide high quality infrastructure and service delivery that meets the unique needs of each community, creates a sense of place and contributes towards promoting a sense of pride in community.

Goal	Strategy	Measure	Target
4.1 Strategic Infrastructure and Asset Management Strategically manage, maintain and enhance community	Develop and manage a corporate Asset Management Strategy and Asset Management Plans for defined asset classes with a focus on: a. identifying and developing an asset maintenance tracking system that includes cyclical inspections	Corporate Asset Management Strategy completed	July 2026
infrastructure	 b. managing the renewal and replacement program c. coordinating projects within community 	Asset management tracking system implemented	June 2026
	Investigate opportunities to source external funding for infrastructure upgrades	Scoping, plans and cost estimates for critical infrastructure assets identified for future funding requirements	Ongoing
	Maintenance programs for parks, ovals, cemeteries and reserves	Safety audits conducted yearly on trees within community which are designated to Council responsibility	100%
		Develop and implement a sporting grounds/field facility strategy by community	December 2026
		All maintenance activities carried out in accordance with budget allocation	100%
		Park equipment safety audits, inspections and maintenance program carried out to schedule	100%
	Continue community consultations on the establishment of gazetted cemeteries in Warruwi, Minjilang and Maningrida	Community consultations on the establishment of gazetted cemeteries in Warruwi, Minjilang and Maningrida progressed	December 2026
		Develop and implement cemetery strategy, including community funeral process	December 2026
	Ensure community swimming pools operate according to community needs and all legislative	Opening hours as per best practice to meet community expectations	2026
	and work health and safety requirements	Staff employed to meet supervision ratios and cultural needs	100%
		Operational procedures are adhered to and documented as required by WARC and legislated standards	100%
		Pool maintenance regime is established and sustainable	Ongoing

WEST ARNHEM REGIONAL COUNCIL | 2025 - 26 REGIONAL PLAN & BUDGET | 35

DRAFT

Goal	Strategy	Measure	Target
4.2 Fleet, Plant and Equipment	Review and update the Strategic Fleet Asset Management Strategy	Strategic Fleet Asset Management Strategy maintained and improved	December 2026
Provide a modern and well- maintained fleet of plant and vehicles capable of meeting service delivery requirements	Implement effective cost recovery mechanisms for use of Council's vehicles, plant and equipment	Annual review and update of Council's Fees and Charges against operating and replacement costs	June 2026
		Fleet, plant and equipment hire contracts to support and ensure effective cost recovery for Council prepared	Ongoing
	Ensure vehicles, plant and equipment are fully serviced as per the Strategic Plan for the useful	All vehicles inspected as per Strategic Plan	100%
	life of the asset	Repairs and maintenance requests performed in line with Strategic Plan	100%
		Accurate vehicle, plant and equipment data maintained	100%
	Upgrade fuel distribution infrastructure to comply with work, health and safety relevant standards and business requirements	Infrastructure audit as per current legislation completed and report including recommended plan for upgrades delivered	Ongoing

Goal	Strategy	Measure	Target
4.3 Waste and Water Management	Provide scheduled domestic waste collection in each community	Waste collections completed as per schedule	100%
Deliver environmentally and economically sound solid waste, water and sewerage services	Work with other government and commercial entities in order to plan for long term waste disposal needs	Northern Territory Local Government Association liaised and collaborated with on advocacy initiatives and waste strategies	Ongoing
	Adhere to water and sewerage operations and maintenance	All legislated standards for potable water testing in Jabiru met	100%
	schedules	Annual audit of water treatment practices including policies and procedures conducted	December 2024

Goal	Strategy	Measure	Target
and Maintenance Tactically monitor, maintain and manage Council gazetted roads and community safety via traffic management	intenanceand stormwater repairs and maintenance programs for each community which: a. determines a road maintenance schedule for the course of the year b. determines grading frequency of internal	Deliver yearly road, footpath and stormwater repairs and maintenance delivered as per schedule with records maintained for each community in Council's records management system - currently 'Magiq'	Ongoing
		Develop and implement roads reseal plan	December 2026
		All footpaths and stormwater inspected quarterly	100%
		Roads monitored and minor repairs completed as required	85%
	Consult with Local Authorities to incorporate local priorities for traffic management into traffic management strategies and/or plans	Consultations on traffic management priorities are minuted and reported to Council and WARC executive	100%
	Deliver plans as per schedule for managing street lighting	Implement Public Lighting Asset Management plan per community	December 2026

DRAFT

Pillar 5: Sustainability and Climate Action

Leading by example, we commit to developing a culture of sustainable practice.

We recognise and champion the importance of safe guarding our environment for future generations by working collectively with community, private enterprises and all tiers of government.

VEST ARN EM REGIONAL COUNCY | 2025 - 26 REGIONAL PLAN & BUDGET

West Arnhem Regional Council

Goal	Strategy	Measure	Target
5.1 Recycling and Waste Develop recycling and waste initiatives which protect and preserve community natural resources and the local environment	Work towards first review point of the Reduce, Reuse Recycle 2024-20234 Strategy	All 2026 implementation goals achieved	100% in June 2026
	Continue pre-cyclone community waste collections	Pre-cyclone waste collections held twice yearly as per published schedule	100%
	Continue whole-of-community approach to identify and implement innovative initiatives to reuse, recycle and reduce waste	Keep Australia Beautiful and local schools collaborated with and Clean up Australia Day, Tidy Towns campaign and eco schools program participated in	Ongoing

Goal	Strategy	Measure	Target
5.2 Procurement Develop and implement a leading-edge sustainability procurement strategy	Review WARC current procurement practices against sustainability and climate action NT and national procurement benchmarks and develop leading-edge Procurement Strategy	Leading-edge Procurement Strategy completed	June 2025

DRAFT

Goal	Strategy	Measure	Target

on sustainability and climate impacts across multiple mediums and platforms	Facilitate relationships between businesses, community leaders and youth with a focus on conserving natural resources	Community-appropriate collaborative materials, initiatives and messages developed and promoted via community noticeboards and social media	Ongoing
	Encourage and promote community understanding and correct use of sorting bays	Uplift in correct use of sorting bays	Ongoing

Goal	Strategy	Measure	Target
5.4 Policy	Research and develop WARC Environment and Sustainability Management Strategy and Policy	Environment and Sustainability Management Strategy and Policy	June 2026
Devise and implement a Sustainability and Climate Action Policy		completed	

Pillar 6: Foundations of Governance

Integrity is at the heart of everything we do. We are leaders of best practice and excellence in governance, advocacy, consultation and administration.

Our processes, procedures and policies are ethical and transparent.

West Arnhem Regional Council PLAN & BUDGET |41

GIONA

EGIONAL COUNCIL | 2025 - 26 I

NHEM

Goal	Strategy	Measure	Target
6.1 Financial Management Provision of strong financial management and leadership which ensures long term	Develop and implement a financially sustainable long term financial plan, annual budget and periodic budget reviews	Statutory requirements and external audit qualifications fully complied with	100%
sustainability and growth	Management of Council's revenue and payable functions	-	
	Manage and deliver on Council's annual statutory and financial obligations	-	
	Management of Council's asset accounting practices	-	
	Monitor and coordinate external funding provided through grants and commercial contracts	Contractual arrangements complied with	100%
	Maintain the rates database including all property details	Statutory requirements fully complied with and percentage of rates debtors outstanding	100%
	Maintain the rates register	-	100%
	Prepare the annual rates declaration	-	Less than 5%
	Apply concessions as appropriate	-	100%
	Determine the rateability of properties	-	100%
	Manage and provide advice on Council's investments in accordance with adopted policies	Interest on investments	> \$180,000 FY2024- 2025
	Monitor returns of investments including roll-over of term deposits	-	
	Manage Council-funded projects to maintain a positive working capital ratio	Positive working capital ratio	Minimum ratio 1:1
	Annual review and update of Council's Fees and Charges	Review and update of Council's Fees and Charges completed	100%

Goal	Strategy	Measure	Target	
6.2 Records Delivery of information management processes which support efficient and transparent administration	Maintain records in accordance with legislation	Public Information, Local Government Council Statutory and Freedom of Information requirements complied with	100%	
	Implement disposal schedule by sentencing and disposing of records	Electronic records held in records management system eligible for destruction sentenced	85%	
	Induct staff in the use of Council's information management system including 'Magiq' and 365'	Training delivered to new staff using information management system during their probation period	85%	
	Provide an information management help-desk service	Number of queries/requests responded to within 24 hours	85%	

42 | WEST ARNHEM REGIONAL COUNCIL | 2025 - 26 REGIONAL PLAN & BUDGET

DRAFT

Goal	Strategy	Measure	Target
6.3 Council and Local Authorities	Ensure capacity for customer relationship management, including mechanisms for feedback on service delivery	Complaints and positive feedback reported to the administration, acknowledge and addressed as required	100%
Excellence in governance, consultation administration and representation	Improve accountable and transparent decision-making by facilitating the participation of Councillors in Council,	At least one training program attended each financial year by Council and Local Authority Members	100%
	Committee and Local Authority Meetings	Four meetings of each Local Authority held each financial year	100%
	Enable community members to participate in local decision-making by ensuring that non- confidential Agendas and Minutes of Council are publicly available at Council offices in each community	All non-confidential Agendas and Minutes publicly available three working days before a meeting (Agendas) and ten working days after a meeting (Minutes)	100%
	Establish formal and informal mechanisms for community consultation on key issues and input into decision-making	Community outreach event hosted by Council in each community every financial year	100%
	Create opportunities for Councillors and senior staff to be available to community members to discuss Council decisions, programs and projects, either informally or through community meetings	Local Authority Meetings attended by at least one relevant Councillor and at least one Senior Manager	100%
	Ensure advocacy and representation of Council interests through government, the private sector and the media	Advocacy framework, strategy and communication plan developed	June 2026
	Create an advocacy framework, strategy and communication plan in consultation with Councillors	-	

Goal	Strategy	Measure	Target
6.4 Risk Management	Update risk registers and ensure appropriate treatment plans are implemented	Overall risk rating within the risk register reduced	10% reduction
The monitoring and minimisation of risks associated with the operations of Council	Regularly review insurance cover and premiums	Annual full appraisal of cover required, policies reviewed via insurance broker	June 2024

DRAFT

Goal	Strategy	Measure	Target
6.5 Planning and Reporting	Produce key policy and direction documents for the Council including the Regional Plan, Annual Reports and policies	Regional Plan finalised and shared, Annual Report delivered, and policies requiring review are reviewed and	100%
Robust planning and reporting that supports Council's		updated as per required timelines	

Goal	Strategy	Measure	Target
6.6 Information and Communication Technology Effective and innovative	Plan and deliver Council's technology needs through the provision of a well-maintained and managed information and communication technology (ICT) platform	Develop ICT Strategic Plan	December 2024
information technology solutions which maximise service delivery and support Council's operations	Optimise the delivery of ICT services and equipment to required work locations to meet staff and service delivery needs	Develop ICT Asset register	June 2025
	Provision of innovative, relevant and cost- effective ICT solutions to solve service delivery challenges	Annual review of ICT needs in line with the ICT Strategic Plan completed	100%
	Optimise costs associated with ICT delivery, including communications, both fixed and mobile, data, voice and video services and staff equipment	-

Opportunities and Challenges

Opportunities

 Work with stakeholders in the private and public sectors to promote West Arnhem as a destination for ecotourism and Indigenous tourism.

• Continue to strengthen partnerships for a sustainable future whereby, Council, communities in the region and stakeholders work together to manage and protect the environment.

• Supporting the diversification of income earning opportunities for residents in the region.

• Advocate for greater investment in infrastructure in the region including reliable digital infrastructure and connectivity, all weather roads and habitable housing.

• Continue to engage with West Arnhem communities by providing opportunities for community members to participate in decision-making, and contribute to the development of Council's strategies, development plans and policies.

 Provide ongoing mentoring and training opportunities for Council staff working in all communities in the region.

Challenges

 Insufficient infrastructure such as allweather roads and reliable telecommunication services that impede service delivery.

• The negative impact of climate change including unpredictable and decreased rainfall patterns as well as rising temperatures, and the impact that this has on infrastructure and liveability in remote communities.

• Limitations on traditional funding sources despite increasing needs in communities.

WEST ARNHEM REGIONAL COUNCIL

FOR THE MEETING 11 March 2025

Agenda Reference:	9.1
Title:	2023-2024 Annual Report
Author:	Jasmine Mortimore, Governance Advisor

SUMMARY

The purpose of this report is to present the Approved West Arnhem Regional Council's 2023-2024 Annual Report to the Local Authority for noting. The Annual Report contains information about Council's operating and financial activities over the past financial year.

RECOMMENDATION

THAT THE LOCAL AUTHORITY received and noted the report titled 2023-2024 Annual Report.

BACKGROUND

According to Guideline 1: Local Authorities section 10.2 (a) Once in each financial year, a local authority agenda must include a copy of the Councils Annual report for the previous financial year.

LEGISLATION AND POLICY

Local Government Act 2019 Guideline 1: Local Authorities

FINANCIAL IMPLICATIONS

Not applicable

STRATEGIC IMPLICATIONS

This report aligns to the following pillars and goals as outlined in the *Regional Plan and Budget*: **PILLAR 1 PARTNERSHIPS, RELATIONSHIPS AND BELONGING**

Investing in relationships and partnerships at all levels supports and strengthens community and belonging. We prioritise the value of partnerships and relationships as a key determinant of a happy, strong and thriving community.

Goal 1.1 Community Engagement

Seek out and support diverse perspectives and collaborations with community, community leaders, businesses, agencies and local service providers to enhance community life.

PILLAR 6 FOUNDATIONS OF GOVERNANCE

Integrity is at the heart of everything we do. We are leaders of best practice and excellence in governance, advocacy, consultation and administration. Our processes, procedures and policies are ethical and transparent.

Goal 6.3 Council and Local Authorities

Excellence in governance, consultation administration and representation.

Goal 6.5 Planning and Reporting

Robust planning and reporting that supports Council's decision-making processes.

WEST ARNHEM REGIONAL COUNCIL | ANNUAL REPORT 2023-2024

Message from the Mayor and Chief Executive Officer

West Arnhem Regional Council acknowledges the First Nations Custodians and the many Language and Family groups who are the Managers and Caretakers of each of their Traditional homelands and waters across the West Arnhem Region's wards. West Arnhem Regional Council pays its respects and acknowledges Elders, past, present, and rising, for they hold the memories, traditions, culture, and hopes of the Aboriginal people of West Arnhem Land.

We are pleased to present the 2023-24 Annual Report on behalf of West Arnhem Regional Council. Throughout the year, our Council has celebrated many achievements and made significant progress towards building Strong Communities. We remain committed to working closely with our Local Authorities, stakeholders, and constituents, ensuring that the needs of the five communities we serve are met with determination and respect.

Our Council is proud to consist of 12 Aboriginal Elected Members, marking another year of unified leadership that reflects the communities we represent. This accomplishment underscores our deep commitment to fostering Indigenous leadership and driving meaningful outcomes for our region. We also acknowledge the significant change in leadership that occurred during the year, with Mayor James Woods stepping into the role in March 2024. Mayor Woods brings profound values in workforce development, community engagement, strong advocacy, and resource allocation, along with a commitment to staff training that will lead West Arnhem Regional Council from strength to strength. We extend our sincere gratitude to outgoing Mayor - Matthew Ryan, who led the Council during the first eight months of the reporting period. Strength in governance was a commitment at the start of the reporting period, and the Council has delivered strongly on this outcome. Council also took significant strides in its commitment to financial sustainability, ensuring that every activity was undertaken with respect to providing value and allocating our financial resources for maximum impact to our residents within the financial constraints of Council. During the reporting period, many austerity measures were introduced to ensure that the 2024 -25 financial year would be a year of financial rebirth and renewed commitment to community.

With a workforce of 200 staff, we continue our dedication to increasing Indigenous employment by focusing on local recruitment and offering opportunities for upskilling, internal promotions, and roles across the organisation. Our goal is to provide a strong foundation for local people to thrive in their careers, contributing to the prosperity of West Arnhem through the essential work of local government, which we strived to advance every day of the year.

This year, we have made great strides in embedding key objectives set forth in the West Arnhem Regional Council Innovate Reconciliation Action Plan (RAP). We are proud to have achieved and exceeded our goal of establishing Indigenous-identified positions within the Council through targeted recruitment measures, as well as fully transforming all recruitment policies and procedures for the Council. These goals, developed in collaboration with the RAP working group and endorsed by Council, are vital steps in our ongoing journey towards reconciliation.

Through the services we deliver, from care to play, and infrastructure to governance, Council takes pride in the programs and initiatives that support our residents, creating a positive environment for staff growth and development within our Council.

West Arnhem Regional Council

Warruwi Local Authority Tuesday 11 March 2025

WEST ARNHEM REGIONAL COUNCIL | ANNUAL REPORT 2023-2024

Our projects this year, whether in planning, fully delivered, or breaking ground, reflect our commitment to community development and infrastructure improvement, with a total investment of over \$16 million across the region. Notable projects include:

• Maningrida: Resealing of 2.2 km of Airport Road, planning for Maningrida change rooms, and various other infrastructure upgrades, with a total value of \$8.89 million.

• Warruwi: Full internal roads reseal and recreational hall refurbishment, contributing to a total of \$1.59 million.

• Minjilang: Creche and staff housing refurbishments with a total value of \$350,000. This project had the creche ready for grand openings in the following financial year.

• Gunbalanya: Installation of oval lights and surface upgrades, and road improvements, for a total of \$2.383 million.

• Jabiru: Significant improvements including internal roads and water system upgrades, amounting to \$3.38 million.

In addition to these projects, we are proud of our

administrative initiatives, which include the commencement of 35 apprentices in Certificate III in Civil Construction, a comprehensive Foundations Skills Program for staff across all locations, mental health training, and various essential training programs to enhance workplace safety and skills. While delivering in the community, the Council administration also took various steps towards the preparation of the information technology enterprise resource changeover, which will be delivered in full during the 2024-25 financial year.

We would like to extend our heartfelt thanks to the Australian Government and the Northern Territory Government for their valuable partnerships and funding opportunities over the past year. These collaborations have played a key role in advancing the development and welfare of our region.

Finally, we wish to acknowledge and express our gratitude to all our amazing staff, who contribute every day to the betterment of our Communities. As we move forward, we are dedicated to continuing our work together, building on the progress we have made to create stronger, more resilient Communities in the year ahead.

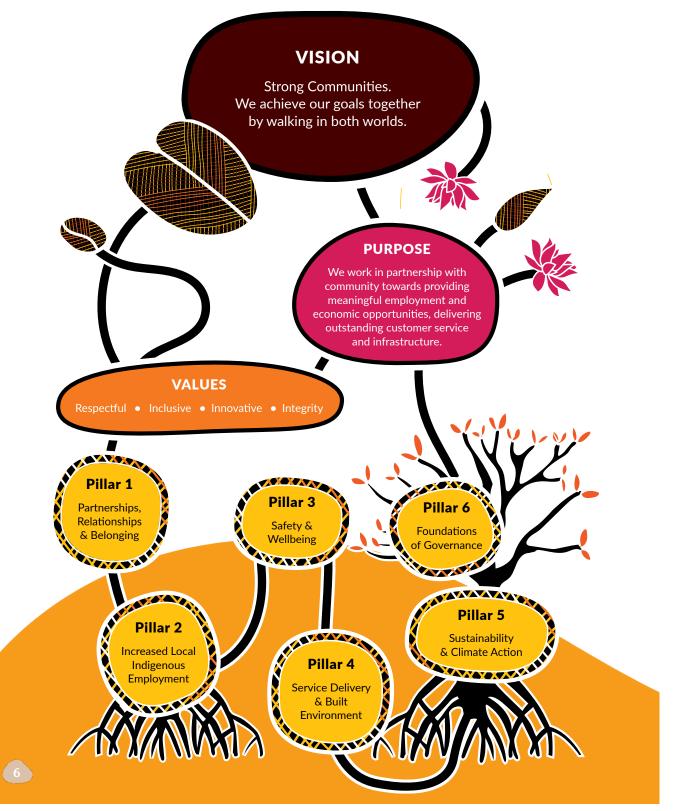

"Reflect our commitment to community development and infrastructure improvement, with a total investment of over \$16 million across the region.."

Mayor James Woods

Strategic Plan

Values

The values or behaviours that Council will embrace to support our Purpose and guide us in achieving the Vision are:

We are engaged with our communities and partners.

usive

We value diverse perspectives and voices and encourage their incorporation into our work practices.

Respectful

We respect our communities and staff of all cultures.

We respect elders past, present and emerging for they hold the memories, the traditions, the culture and hopes of Indigenous Australia.

We acknowledge that Aboriginal culture is a living culture and that Aboriginal people continue to live in spiritual and sacred relationship with country.

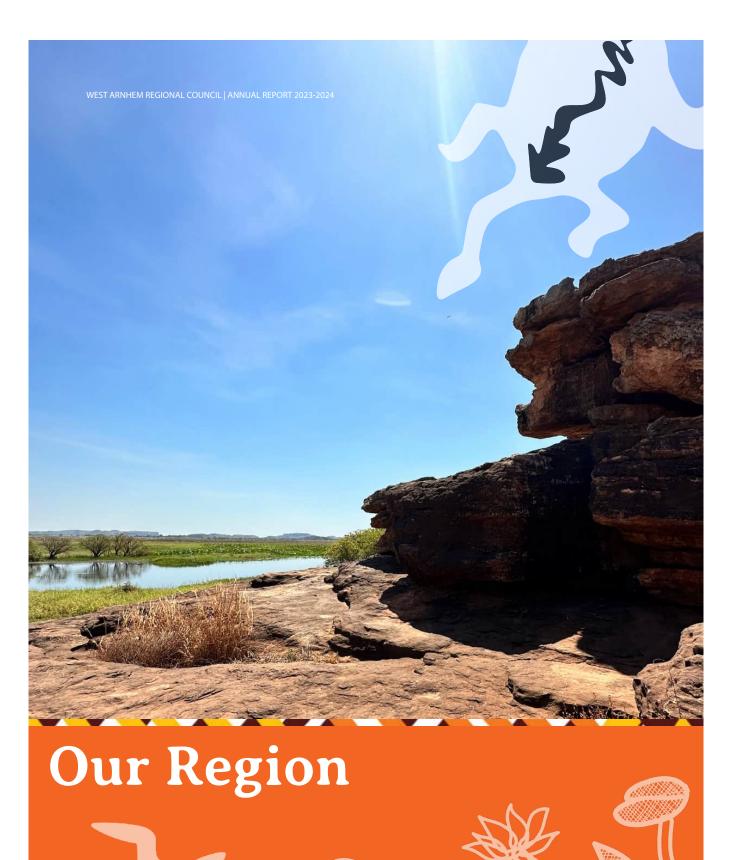

We encourage and promote a culture of safety where innovation is celebrated and new ways of working are implemented to improve our services.

We are open, transparent and accountable.

About West Arnhem

West Arnhem Regional Council is situated in the northern region of the Northern Territory, covering an expansive and culturally rich area of 49,675 square kilometres. The region is home to approximately 6,281 residents who are in five main Communities Maningrida, Gunbalanya, Jabiru, and the island communities of Warruwi and Minjilang five main Communities and over 100 homelands.

People

Each Community has its own unique characteristics and population:

Community Populations:

- · Jabiru: 755 people
- Gunbalanya: 1,177 people
- Maningrida: 2,518 people
- Warruwi: 432 people
- Minjilang: 265 people

The region is home to both saltwater and freshwater people who are deeply connected through cultural song lines. A significant majority - over 77% - of the population identify as Aboriginal and/or Torres Strait Islander Peoples, with culture and language being central to daily life.

Landscape

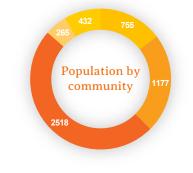

The landscape of West Arnhem is not only striking in its beauty but is also of great environmental and cultural significance. From its untouched coastlines, rivers, freshwater billabongs, wetlands to its rugged stone country, the region features a diverse array of natural environments. The region is also home to two of Australia's most iconic national parks: Kakadu National Park, a World Heritagelisted site, and Garig Gunak Barlu National Park, located on the Cobourg Peninsula.

West Arnhem Regional Council Warruwi Local Authority Tuesday 11 March 2025

Our Councillors

The Council is governed by five wards with 12 Elected Members serving to represent the interests of their respective Wards. The Elected Members work closely with the Communities to ensure that local priorities and challenges are addressed, with a special emphasis on the unique needs of each area.

Former Mayor Matthew Ryan of the Maningrida Ward resigned in March 2024. Former Cr Julius Don Kernan of the Maningrida Ward resigned on 1 May 2024.

Council's Structure

Residents of each of West Arnhem Regional Council's five wards elect councillors at the Northern Territory local government general election held every four years. There are 12 councillors in total elected and they sit as the West Arnhem Regional Council.

The role of Council is to:

• Listen to and represent the interests of residents • Influence decisions which affect communities

• **Provide leadership**, guidance, and directly influence the future direction of the region

Advocate to all levels of government on important community matters

"Advocate to all levels of government on important community matters."

The most recent local government general election was held in 2021, and at the first meeting of Council, the councillors appointed Councillor Matthew Ryan as Mayor and Councillor Liz Williams as Deputy Mayor.

Changes within Council

Mayor resigns and new Mayor appointed

In March 2024, Council accepted the resignation of Mayor Matthew Ryan. Matthew had been a fierce advocate for the constituents of the West Arnhem Communities for two decades, serving as a Councillor for the Maningrida Ward since 2008 and as Mayor since 2017.

The vacancy of the Mayoral position was filled by Maningrida Ward Elected Member James Woods. Mayor Woods has served the Maningrida community for over eight years as the longest serving chairperson for the Maningrida Local Authority. He was elected as Councillor of the Maningrida Ward at the 2021 Local Government Election and has been a strong advocate for improved services in remote communities.

Maningrida Ward Councillor resigns

West Arnhem Regional Council also accepted the resignation of Councillor Julius Don Kernan on 1 May 2024. Cr Kernan represented the Maningrida Ward for 8 years after he was re-elected in the 2021 Elections, having also served on Council from 2017 – 2021. Cr Kernan was a strong advocate for the people of West Arnhem, Mayor James Woods and the other Elected Members wish him all the best for his future endeavours.

Council Committees and Panel

Special Finance Committee

The Special Finance Committee is constituted as an Executive Committee with all the necessary powers to carry out Council's financial functions in line with section 83(4) of the *Local Government Act 2019*. The Special Finance Committee was formed to review and approve the monthly finance report in the instance that a quorum cannot be met for an Ordinary Meeting of Council.

The Committee currently consists of the following members:

5	Special Finance Committee Members				
	Mayor James Woods				
	Deputy Mayor Elizabeth Williams				
	Councillor Mickitja Onus				
	Councillor James Marrawal				
	Councillor Donna Nadjamerrek				

Matthew Ryan resigned as Mayor and Elected Member in March 2024.

The Special Finance Committee was disbanded at the beginning of 2023 and reestablished in February 2024.

During the 2023-24 financial year, the Special Finance Committee did not hold any meetings.

Risk Management and Audit Committee

The Risk Management and Audit Committee is a key component of Council's governance framework. The Committee is an independent advisory body that monitors the compliance of Council's financial policies and procedures with relevant statutory provisions, regulations and ministerial guidelines. The Committee works within the framework of the Risk Management and Audit Committee Charter and the Risk Management and Audit Committee Terms of Reference.

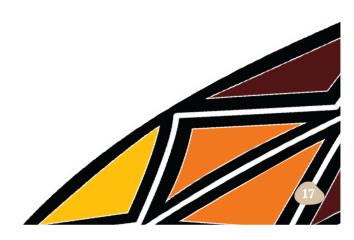

The Committee currently consists of the following members:

Risk Management and Audit Committee Members
Carolyn Eagle (Independent Chair)
Warren Jackson (Independent Member)
Mayor James Woods
Deputy Mayor Elizabeth Williams
Councillor Jacqueline Phillips
Councillor Gabby Gumurdul

Matthew Ryan resigned as Mayor and Elected Member in March 2024.

The Risk Management and Audit Committee meets four times a year, in the 2023-24 financial year the Committee were only able to meet two times on the following dates;

1. 19 September 2023 2. 21 June 2024

CEO Employment and Remuneration Advisory Panel

The CEO Employment and Remuneration Advisory Panel was created to meet the requirements in clause 6 of Guideline 2: Appointing a CEO 2021. The key objective of the Panel is to provide advice and support to Council regarding CEO employment processes including recruitment, contract of employment, remuneration and performance review. The Advisory Panel was disbanded in August 2023 and reestablished on 12 May 2024.

The Panel has the following members:

CEO Employment and Remuneration Advisory Panel Members
Mayor James Woods
Deputy Mayor Elizabeth Williams
Councillor Mickitja Onus
Councillor James Marrawal

Matthew Ryan resigned as Mayor and Elected Member in March 2024.

The CEO Employment and Remuneration Advisory Panel Members held meetings on the following dates during the 2023-24 financial year:

1. 27 June 2024

Kakadu Ward Advisory Committee

Formed to support the Kakadu Ward Councillors and give them a voice in and for the activities and operations of West Arnhem Regional Council in Jabiru and the wider Kakadu Ward. Whilst this advisory committee has no income stream at this point, the Committee's activities encompass all areas of Kakadu Ward events and operations, and it was established as a vessel to empower the greater community spirit and make a difference for the constituents of the Kakadu ward.

The Committee currently consists of the following members:

Kakadu Ward Advisory Committee Members
Mayor James Woods
Deputy Mayor Elizabeth Williams
Councillor Mickitja Onus
Councillor Ralph Blyth

Matthew Ryan resigned as Mayor and Elected Member in March 2024.

The Kakadu Ward Advisory Committee Meeting meets four times a year, and held meetings on the following dates during the 2022-23 financial year:

- 1. 6 July 2023
- 2. 5 October 2024
- 3. 3 April 2024
- 4. 26 June 2024

18

Consultations Undertaken By Council

The West Arnhem Regional Council Plan and Budget 2024 - 2025

The Council must adopt a Regional Plan for the new financial year before 30 June 2024 and the Regional Plan is to include the Council budget and long-term financial plan, among other items.

In April, the executive team and managers met to discuss Council's strategic Pillars and recommend updates to the Goals and Targets for the 2024-2025 period.

The Draft Regional Plan and Budget 2024-2025 was approved by Council on 23 May 2024 and put out for public consultation.

During this period, the draft Plan was presented to the Local Authorities for review and feedback (excluding Gunbalanya as the meeting was cancelled and consultation could not take place due to time restraints). Consultation concluded on 13 June 2024 and no public submissions were received.

The final Regional Plan and Budget 2024-2025 was adopted by Council on 18 June 2024.

Reduce, Reuse, Recycle Strategy 2024-2034

In April 2024, Council endorsed West Arnhem Regional Council's Reduce, Reuse, Recycle Strategy 2024 - 2034 for publication and implementation across the region, aligning with Pillar 5 of Council's strategic plan 'Sustainability and Climate Action'.

Council's adoption of the Reduce, Reuse, Recycle Strategy 2024-2034 is a key achievement which prioritises waste reduction, resource conservation, and recycling practices. The strategy not only addresses the pressing issue of waste management but also promotes a culture of environmental responsibility among residents.

This approach helps minimise landfill use, reduces pollution, and conserves valuable resources, all of which contribute to a healthier community. The strategy is integral to fostering local economic growth by encouraging innovation in recycling and waste management industries and introducing circularity to the remote space. The strategy cements Council's commitment to circular economy practices and ensures a more sustainable future for the West Arnhem region.

The strategy was presented to Council for consultation prior to its adoption.

Council Shared Agreements

CouncilBIZ Subsidiary

During the 2023-24 year, WARC had an agreement with CouncilBIZ, a Local Government subsidiary that managed Council's information technology support system. This included WARC's financial system as well as its document management and storage system. In June 2024, Council became responsible for its own IT systems. The Constitution and Annual Reports of CouncilBIZ can be accessed via http://www.westarnhem.nt.gov.au.

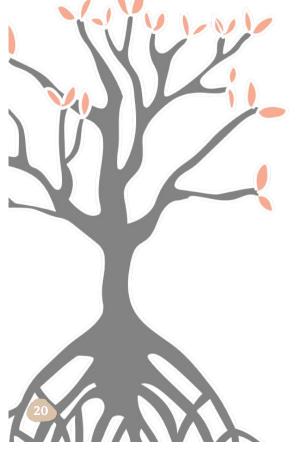

Local Government Association of the Northern Territory

West Arnhem Regional Council (WARC) is a member of the Local Government Association of the Northern Territory (LGANT). LGANTs role is to advocate on behalf of and support the local government sector and its member councils. During the 2023-24 year, WARC worked with LGANT in various key areas. Throughout the year, staff and elected members attended the LGANT Conference in November 2023 and April 2024, the Rates and Finance Symposium in February 2024 and the Circular Economy Symposium in June 2024.

Other Agreements

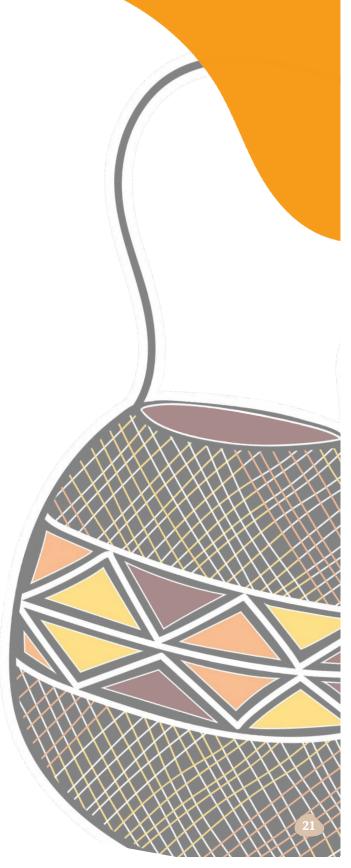

Throughout the 2023-24 year, WARC entered into other agreements with various government agencies in efforts to improve its service delivery especially through its social welfare programs. These include:

- The delivery of post office services in Jabiru, Maningrida, Warruwi, Minjilang and Gunbalanya as per agreements with Australia Post.
- 2. The delivery of Home Care Packages (HCP) and Commonwealth Home Support Program (CHSP) that enable clients, within the aged care sector, to live in their own homes.
- The delivery of disability support services as a registered National Disability Insurance Agency (NDIA) provider.
- The provision of Centrelink services in Gunbalanya, Jabiru, Minjilang and Warruwi as per an agreement with Services Australia.
- An agreement with Power and Water Corporation to maintain power, water and sewerage systems contracts in Gunbalanya, Maningrida, Minjilang and Warruwi.

- An agreement with the Melbourne Veterinary School commenced in January 2024 to provide animal management services in Gunbalanya, Jabiru, Maningrida, Minjilang and Warruwi.
- 7. The maintenance of airstrip services contracts in Gunbalanya, Maningrida, Warruwi and Minjilang as per an agreement with the Department of Infrastructure, Planning and Logistics (DIPL).
- 8. Collaborations with education institutions such as Charles Darwin University to facilitate the delivery of accredited courses to Council staff.
- Working together with Reconciliation Australia as Council continues to make progress in its reconciliation journey, and achieve the goals outlined in the West Arnhem Regional Council Innovate Reconciliation Action Plan July 2021 – July 2023.
- 10. Various agreements with the Commonwealth Government to improve the wellbeing of communities.
- Working together with the Northern Land Council (NLC), an independent statutory authority of the Commonwealth that assists Aboriginal peoples in the Top End of the Northern Territory to acquire and manage their traditional lands and seas.

Council Delegations

The Act contains several provisions that allow Council to delegate some of its functions and powers to Committees and Local Authorities.

By delegating its powers and functions, Council provides an opportunity for community members to contribute to ideas about various community projects through their local representatives and have greater input in Council's decision-making process. Delegation also enables Council to consider expert advice from professionals and specialists appointed to Council Committees. In the 2023-24 year, Council approved delegations to the following committees/authorities:

Local Authorities in Minjilang, Warruwi, Gunbalanya and Maningrida

In 2023-24, Council worked closely with Local Authority members in all its communities, and received advice and recommendations on the following key matters:

- 1. Council's Strategic Plan;
- Council's priorities for expenditure within each Local Authority area, including projects funded by the Local Authorities;
- Council's service delivery for communities in each Local Authority; and
- 4. The West Arnhem Regional Council Regional Plan and Budget 2024-2025.

Special Finance Committee

The Special Finance Committee is an Executive Committee with all the necessary powers to carry out Council's financial functions. The Committee has delegated authority from Council to carry out the following functions during the months that an Ordinary Council meeting is not convened:

- 1. Review and approve Council's monthly financial reports.
- 2. Review and approve reports on Council budgets that are
- presented during the Committee's meeting.Review reports about Council's immediate and long-term financial plans.
- Consider the financial implications of Council's financial plans to ensure that they meet the needs of West Arnhem communities.
- Review the financial status and progress of major projects and recommend changes or revisions to projects, if necessary.
- 6. Review the debtor and creditor lists, and ensure sufficient funds are available to pay forthcoming debts.
- 7. Review and approve any other urgent matters as required.

The Special Finance Meeting was disbanded at the beginning of 2023 and reestablished in February 2024.

Risk Management and Audit Committee

The Risk Management and Audit Committee was established pursuant to part 5.3 of the Act as a key component of WARC's governance framework. During the 2023-24 financial year, Council assigned the following key functions to the Risk Management and Audit Committee:

- 1. Monitoring and overseeing Council's audit function which includes:
 - a. The development of audit programs;
 - b. The conducting of internal audits;
 - c. The review of audit outcomes; and
 - d. Assessing how audit recommendations have been implemented.
- Advising Council about the appointment of external auditors, reviewing the auditor's recommendations about Council's key risk and compliance issues, and providing feedback about the auditor's performance.
- Reviewing and if appropriate, recommending that Council approves financial statements (in conjunction with the auditor's report).
- 4. Monitoring changes in accounting and reporting requirements.
- 5. Reviewing compliance and legislative requirements, contracts, standards and best practice guidelines.
- Monitoring and making recommendations on the adequacy of Council's risk management framework, internal policies, as well as Council's practices and procedures for managing risk.

Local Authorities

Local Authority meetings are an essential forum to strengthen local decision making in remote communities.

Through local authorities, communities have the opportunity to express their views and represent their communities views on matters affecting local government. West Arnhem's Local Authorities give people living in Maningrida, Minjilang, Warruwi and Gunbalanya a direct voice in how Council services are provided, and how funds are spent in their communities. Acting as a link between their community and the Council, the members express local interests and make recommendations for projects of significance to their community.

During the 2023-24 financial year, Local Authorities in the West Arnhem region held meetings on the following dates:

Gunbalanya	Minjilang	Maningrida	Warruwi
24 August 2023	15 September 2023	3 August 2023	20 July 2023
26 October 2023	25 March 2024	30 November 2023	8 February 2024
7 March 2024	15 May 2024	14 March 2024	22 May 2024
	5 June 2024	12 June 2024

Local Authority Projects

Throughout the 2022-23 period, West Arnhem's Local Authorities have supported and funded a number of major Community and infrastructure projects:

GUNBALANYA

Gunbalanya installation hard structure at the office

GUNBALANYA Gunbalanya solar lights at Back Road

MINJILANG Supply water and power outlet at the Basketball Court Minjilang Sea Container Storage – Basketball Court

REGIONAL Animal Management Program co-contribution

WARRUWI Warruwi Solar Pump System at the Airport

MANINGRIDA Maningrida New Year's Eve fireworks

MANINGRIDA Additional grandstands and access gates at the Football Oval

MANINGRIDA Construction of 2 additional hard structures (Clinic)

MANINGRIDA Upgrade drainage at basketball court (Coconut Grove)

MANINGRIDA Solar lights at Basketball Court, Bottom Camp, Office, Takeaway Stores

Our Staff

Warruwi Local Authority Tuesday 11 March 2025

Staff Snapshot

West Arnhem Regional Council has a dynamic and proud workforce across our six office locations. As of 30 June 2024, West Arnhem Regional Council Indigenous employment increased by 7%.

Overall staff turnover decreased by 9% in comparison to last year. The participation of female workers remained unchanged.

This year WARC, experienced a number of key staff changes. These impacted the Human Resources Team and initiatives that were able to be rolled out. Resilience in the Team was evident as daily and routine programs continued to be achieved, alongside some projects.

Highlights within the year include:

First Nations Employment Plan

A draft First Nations Employment Plan was prepared and sent out for consultation; it is intended the plan is finalised in 24/25 financial year.

Special Measures – Targeted recruitment

In June 2024, an updated recruitment system based around a Special Measures – Target Recruitment Policy was implemented. The purpose of the new system is to increase Indigenous employment and ensure processes are based on merit.

Foundation Skills Program ends with excellent results

The Foundation Skills for your Future Program (FSfYF) ended in May in a high note. This program was delivered for a year by CDU trainers who visited each of our communities every three weeks to work with WARC employees to improve their literacy levels. They first identified individual learning needs and goals for each participant and then followed a specific training plan to achieve those objectives.

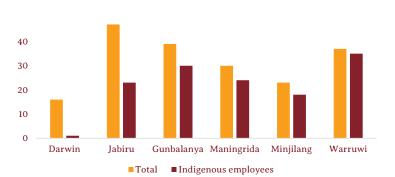

At the end of the program, a participant survey was completed. Results show that 96% of participants now feel more confident to use a computer after completing the training. Also, 92% of them said they were 'very satisfied' or 'satisfied' with the training and it met their learning goals.

Managers involved also noticed great improvement of the staff as they have become more confident to use computers for work purposes, sending emails and completing forms and reports.

It is important to highlight this has been the largest project that CDU has undertaken since the program has been offered by the Federal Government, providing numerous WARC employees with an amazing opportunity to improve their literacy and computer skills.

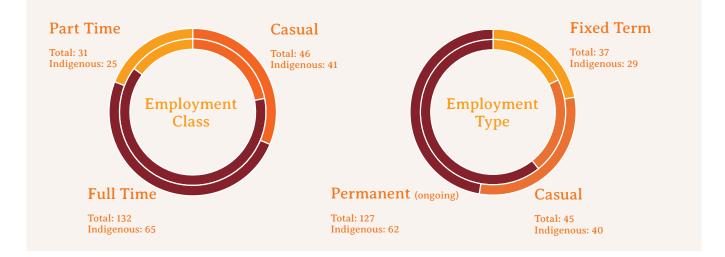

"Providing numerous WARC employees with an amazing opportunity to improve their literacy and computer skills."

Key Achievements and Projects

Pillar 1: Partnerships, Relationships and Belonging

Empowering Tomorrow's Leaders

The West Arnhem Youth Leadership Summit made history with its inaugural event in November 2023, uniting young people from across West Arnhem Land. The Summit brought together 50 attendees from Gunbalanya, Maningrida, Minjilang, Warruwi and Jabiru to build leadership capacity, identify the current needs of youth in West Arnhem Land, and present a shared vision for youth outcomes.

The Summit had a hands-on approach to leadership development, communication skills, public speaking, teamwork, cross-cultural collaboration, cooperative vision development and problem-solving.

The Summit evidenced the power of bringing our youth together, immersing them in hands-on learning, and giving them a platform to share their voice. This regional response to building leadership capacity highlighted our youth's shared vision for contributing to a bright future across West Arnhem.

The insights gained from the Summit will inform the strategic direction of local community youth initiatives, ensuring that they align with the actual needs and aspirations of the youth in West Arnhem.

Rolling out street libraries in West Arnhem

The Jabiru Public Library symbolises a lifelong commitment to literacy in West Arnhem Land, and, thanks to the Street Library initiative, we have been able to take another positive step towards making literacy more accessible to our most remote communities!

The Jabiru Library purchased 5 Street libraries to be placed throughout the West Arnhem Region in the Northern Territory. West Arnhem Land is a huge area and is home to many First Nations families who are cut off from access to townships because of seasonal rains and large distances.

In November 2023, Warruwi and Minjilang launched their street libraries and the Jabiru Public Library will continue to donate books to the Street library in communities to provide access to literacy for all people.

West Arnhem Regional Council

Т

Supporting CareFlight NT

With CareFlight Top End conducting multiple emergency missions to the West Arnhem region every month, the small town of Jabiru understands the importance of aeromedical services for all remote Communities in the Top End.

Demonstrating their support for this lifesaving service, West Arnhem Regional Council hosted the 11th annual Kakadu Triathlon on 11 May, raising an impressive \$21,117 for CareFlight Top End.

The 2024 event saw an incredible turnout, attracting nearly a record number of participants with 130 open competitors and 50 juniors who challenged themselves in the short course triathlon. West Arnhem Regional Council Mayor James Woods said he is proud that the Council can deliver such an important and equally impressive event within the Community.

"It's heart-warming to see so many participants and supporters

coming together to contribute to such an important cause. The funds raised will significantly aid CareFlight in continuing their essential work in our region.

Pillar 2: Increased Local Indigenous Employment

WARC staff participates in Plant and Machinery training

Charles Darwin University conducted plant ticket training in Gunbalanya from 14- 29 August 2023. A total of 13 from WARC in training which included a front end loader, dozer, grader and skid steer. All students passed front end loader and Skid steer and some of the more experienced operators also passed in dozer and grader.

WARC works crews continue to benefit from great training activities. Members from our Works Crews in Gunbalanya and Warruwi participated in this training opportunity delivered by Charles Darwin University in Gunbalanya in November 2023. They learned how to safely operate excavators and skid steer loaders and also how to undertake a wider range of construction tasks.

Another group of employees completed a similar training program in Jabiru earlier this year. Misman Kris, Senior Works Officer in Warruwi, said this program has helped him to "gain more confidence to operate the equipment and to share his knowledge with his team when he returns to community".

34

Celebrating our team's accomplishments

West Arnhem Regional Council is thrilled to announce the successful completion of the Foundation Skills for your Future (FSfYF) program by our dedicated staff.

This federally funded initiative has been a transformative journey for our employees across all West Arnhem Communities, enhancing their reading, writing, numeracy, and computer skills.

In collaboration with Charles Darwin University, this program has been delivered through regular face-to-face sessions conducted by trainers who visit our Communities. They have provided invaluable support, either through personalised one-on-one sessions or in small groups, focusing on identifying individual learning needs and career goals. We extend our heartfelt congratulations to all participants for their hard work and commitment!

Gunbalanya Community Care

Our Community Care teams across West Arnhem Land are passionate about what they do and are always upskilling to provide safe and high quality care and support to clients

The team in Gunbalanya have worked through their Certificate III in Individual Support with Response Employment and Training and doing cooking classes

While learning how to prepare and cook health meals, this culinary training also supports career opportunities for our

upskilling in the kitchen

and their carers.

through Sunrise to Sunset.

team and community members.

Building career pathways in essential services

West Arnhem Regional Council (WARC) has created career pathways to allow our local Indigenous employees to upskill to become the next wave of Utility Support Contract (USC) workers in their Communities. Current staff, in particular works crew, have the opportunity to gradually upskill and undertake formal training until they are qualified and ready to step into the USC roles. Brendon, who is the USC Assistant in Warruwi, said, "My first few weeks I had so many questions but was pretty hands on from which I was able to develop some skills and confidence. As an optimistic and ambitious person I have attended work every day with a strong will to build more skills and confidence within myself, which I will be able to educate and create a pathway for more people in our community in the future."

"West Arnhem Regional Council's foundational pillar to increase local Indigenous employment across the West Arnhem region."

Pillar 3: Safety and Wellbeing

Aged Care team in Jabiru celebrated at graduation

West Arnhem Regional Council celebrated the accomplishments of the Aged Care team in Jabiru as they graduated from the Certificate IV in Community Services. The graduation ceremony was held at the Jabiru Library where Marcia Brennan, Karen Bulliwana and Rosie Wood received their certificates. Their trainer, Poppy Reece, together with their managers and fellow colleagues share a great moment to celebrate this achievement.

Sally Morris, Director at Response Employment and Training said, "Their dedication to the development of their skills have greatly benefited the local aging community and we wish them all the best in their future development".

Council is very proud of our graduates and to have played an important part in their current and future career successes.

Focus on health and wellbeing

The Gunbalanya Safe House had been collaborating with the NT Health Team, to put together a 'Health and Wellbeing Day' event for the women of Gunbalanya on 1 November 2023.

The event was focused towards the women's social, emotional and wellbeing health. Topics covered on the day were how women can keep themselves strong not only for themselves, but also for their families and the community. Together the women were able to yarn about some of the worries and what may take their strength away. The women then were able to set goals on how to feel good about themselves. There were also feel-good activities for the children in how they too can stay happy within family and community.

Red Dust Healing Workshops

West Arnhem Regional Council received an Office of Gender Equity and Diversity Men's Places Grant in 2023 to support Red Dust Healing workshops in Warruwi and Minjilang. Red Dust Healing workshops use an ancient Aboriginal perspective to support individuals to explore and heal unresolved hurt, grief, loss and other issues in their lives. The program is written from an Aboriginal perspective, encompasses visual and holistic learning modules linking indigenous and nonindigenous cultures and includes ancient traditional practices, morals and values as a way of addressing issues in today's society.

The workshops were a great success and had positive feedback from the people who participated. The men who attended have commented:

The Warruwi men really enjoyed the course with Barry and one participant commented, "us men need to do this more in our communities".

Another local man commented, "we know this stuff, we just need to remember it and share it with our children".

Men's yarning space launched

West Arnhem Regional Council officially launched the Men's Yarning Space program in July 2023.

The impactful program is about building relationships with our young people. "There is a disconnect between us and our Elders. It is very important that I have had the opportunity to implement a program for our men in general to create a safe space for them."

Each week they will choose a topic and start conversations around them, and while they are not experts everyone listens. It is hoped that a similar program will begin for women.

Jenny Inmulugulu said, "It has been a long time coming and we are glad we have identified the challenges we face daily in Warruwi with our young fellas and I think this program will bring us together."

"Implement a program for our men in general to create a safe space for them."

Pillar 4: Service Delivery and Built Environment

New excavator for Minjilang

West Arnhem Regional Council's works team in Minjilang are thrilled with the newest piece of machinery on the island.

The new 1.8t excavator was purchased by Council through the Northern Territory Government's Immediate Priority Grants (IPG) program, and will be put to great use supporting the delivery of Council's municipal services within the community.

As Minjilang is an island community, it is really important for Council to be self-sufficient and prepared to fulfil all operations relating to parks and gardens, roads and waste.

Council also has an important role to play in maintaining community safety in relation to disaster preparedness.

The new machinery also provides further training and development opportunities for our team on the ground.

Increasing road safety in Community

Road safety is incredibly important and with this in mind, the Maningrida Local Authority have supported the installation of additional road speed humps throughout their community to manage traffic speeds.

The Local Authority decided to install the speed humps because of concerns with excessive vehicle speeds and the assessed high risk to people in community.

There are currently 14 speed humps installed in Maningrida and West Arnhem Regional Council is in the process of also installing safety signage and bollards to manage traffic compliance.

Thank you to the Maningrida Local Authority for supporting this important community project.

"Maningrida Local Authority have supported the installation of additional road speed humps."

38

Maningrida Oval upgrades

The Maningrida Football Oval is becoming one of the best in the Top End, and residents and stakeholders should be proud of the ever-improving sporting facility in the community.

With the Maningrida community 2023 AFL football competition culminating in the grand finals on 12 August 2023, the football oval was looking its best for the hundreds of players, spectators and supporters in attendance for the big event.

Council worked tirelessly to get the oval green and manicured and it was great to see so many community members turning up to watch the weekly games under the newly installed lights.

The latest additions to the oval included six additional grand stands to accommodate the increase of spectators attending the games on a regular nightly basis, and additional pedestrian team gates for entry and exiting the playing area.

These upgrades to the oval were strongly supported by the Maningrida Local Authority, Local Roads and Community Infrastructure Program (LRCI) and Northern Territory Government Department of Tourism and Culture.

\$4.3 million upgrades to Malala Road, Maningrida

The second stage of the \$4.3 million development of Malala Road in Maningrida was complete in September 2023, drawing the major project to a close.

This was a significant project for West Arnhem Regional Council with Stage 1 taking place between July 2022 - October 2022, followed by stage 2 from June 2023 - September 2023.

The upgrades consisted of road construction to establish a new raised up pavement subgrade, and the width and alignment altered to provide adequate levels to rectify drainage problem areas and improve the stormwater flow. The installation of new concrete box culverts with headwalls and rock protection will dramatically minimise scouring and erosion to the road pavement and provides constant flow of water.

These upgrades have improved the road safety condition for all users in the community, will withstand the high level of vehicle road users, provide all weather protection and improve the longevity of the road pavement. Council wishes to acknowledge the support of the following funding bodies: Black Spot, R2R, LRCI and DIPL.

Pillar 5: Sustainability and Climate Action

Keep Australia Beautiful NT visits West Arnhem

West Arnhem Regional Council played host to Heimo Schrober CEO of Keep Australia Beautiful NT across the region in August 2023. As part of our Council's commitment to Keep Australia Beautiful Tidy Towns program Heimo was able to visit all of our communities for assessment and to assist making community litter plans to enable future improvements.

Heimo was blown away by the work put in by Council staff to ensure all of our public spaces are maintained and kept as clean as possible. He noted huge improvements in Gunbalanya and is working to assist Jabiru, Minjilang and Warruwi to a 4 star litter rating. Positive relationships were established with all the stakeholders with a commitment to improving litter across the region and continuing to make West Arnhem communities healthy and clean places to live.

Reduce, Reuse, Recycle Strategy 2024-2034

The West Arnhem Regional Council's adoption of the Reduce, Reuse, Recycle Strategy 2024-2034 is a key achievement for Pillar 5 of the Regional Plan.

"Ensures a more sustainable future for the West Arnhem region."

It prioritises waste reduction, resource conservation, and recycling practices, the Council not only addresses the pressing issue of waste management but also promotes a culture of environmental responsibility among residents. This approach helps minimise landfill use, reduces pollution, and conserves valuable resources, all of which contribute to a healthier community.

The strategy is integral to fostering local economic growth by encouraging innovation in recycling and waste management industries and introducing circularity to the remote space. The strategy cements Council's commitment to circular economy practices and ensures a more sustainable future for the West Arnhem region.

Pre-cyclone clean ups

Pre-cyclone clean-ups were held across all of our Communities in the months of October and November 2023 with large volumes of hard rubbish removed to the landfill sites. These scheduled clean ups give community members the chance to dispose of any hard rubbish from their yards and homes that may become a risk in the 2024 cyclone season.

Removing scrap metals from landfills

Approximately 450 tonnes of scrap metals from both Jabiru and Gunbalanya landfills was taken for recycling by external contractors in 2023. The recycling of such a large amount of scrap metal represents a positive step toward reducing waste in remote communities like Jabiru and Gunbalanya, benefiting both the environment and local populations.

Working together to support litter-free Communities

In December 2023, West Arnhem Regional Council took receipt of nearly 500 pairs of rubbish pick up tongs courtesy of Keep Australia Beautiful NT and Northern Territory Government Community Benefit Fund.

"Invaluable in West Arnhem's drive to Keep Country Beautiful."

The tongs were designed and created by Darwin Corrections Metal Fabrications Team and will be invaluable in West Arnhem's drive to Keep Country Beautiful and work towards becoming Tidy Towns.

Pillar 6: Foundations of Governance

Mayor Woods cements the role of Aboriginal Controlled Regional Councils

West Arnhem Regional Council Mayor James Woods says strengthening Regional Councils is the only way forward for effective local decision making and improving outcomes for Aboriginal Communities in the Northern Territory. The topic of local decision making for Aboriginal Communities was discussed at a Q&A panel session with the Chief Minister Eva Lawler and Leader of the Opposition Lia Finocchiaro at the Local Government Association of the Northern Territory (LGANT) April Conference.

Mayor Woods has spoken publically with local media on the success of the current structure of local decision making which is already in place through the role of Aboriginal Controlled Regional Councils. "Council and Local Authorities already serve as the voice for our Communities and we are doing what needs to be done every day to deliver better outcomes at the local level," he said.

While emphasising the successful role local government plays in not just local decision making, but also representation and empowerment of Aboriginal Communities, Mayor Woods says the government needs to implement a common sense approach which embraces and strengthens existing Councils. "Our Council, which is Aboriginal Controlled already, is proud of our structure, our role and our service to Community. What is lacking is sufficient funding for regional and remote Councils for better service delivery," he said.

New Australian Citizens

West Arnhem Regional Council has welcomed five new Australian citizens in the region – Nong, Savry, Samip, Upasana and Alex, who made the official pledge of commitment on 11 April 2024.

In what was a very special Australian citizenship ceremony, the constituents came together from different Communities around the region -Maningrida, Gunbalanya and Jabiru, to make the pledge and receive their certificates in front of Mayor James Woods, Deputy Mayor Elizabeth Williams, families and friends.

Council wishes to congratulate all of the new Australian citizens and hopes their futures in Australia are bright and prosperous

Maningrida Local Decision Making Agreement

West Arnhem Regional Council recently became one of the signatories to the Maningrida Local Decision Making (LDM) Agreement in May 2024.

A Local Decision Making (LDM) agreement signed in Maningrida provides pathways for the community to set priorities that advance cultural, social, economic and education development in the region in partnership with the NT Government.

The signing represents the 15th LDM agreement across the Territory and will facilitate new working relationships to support self-determination of local Aboriginal communities.

One of the strengths of this Agreement is that it seeks to strengthen the Maningrida Local Authority, a placed-based Governance group funded and supported by West Arnhem Regional Council and the Northern Territory Government.

Partners to the Maningrida LDM Agreement include the Dhukurrdji Development Corporation, Bawinanga Aboriginal Corporation, Maningrida Progress Association, Mala'la Health Service Aboriginal Corporation, Njamarleya Cultural Leaders and Justice Group, Homeland School Company, Northern Land Council, National Disability Insurance Agency, National Indigenous Australians Agency and Northern Territory Government.

WARC and NT Police sign MOU

Strong Communities thrive on collaboration. West Arnhem Regional Council (WARC) and NT Police have taken a significant step forward in our partnership together with the signing of a Memorandum of Understanding (MOU). Elected Members and NT Police Superintendent Jody Nobbs and Senior Sergeant Adrian Kidney came together at the Ordinary

Council Meeting held on Tuesday, 18 June 2024, to accept and sign the MOU.

This valuable collaboration will foster mutual understanding and cooperation in the 5 West Arnhem Communities we serve. The MOU provides an overview and guidance to ensure consistency and cooperation between Police and WARC's Local Authorities Community Night Patrol (CNP) and Sport and Recreation (SR) services.

"Together, we aspire to cultivate a future where every Community member feels safe and supported."

It also paves the way for other agencies to join forces with WARC and NT Police for collaboration and provision of services to increase community safety, harmony, health, and wellbeing. Together, we aspire to cultivate a future where every Community member feels safe and supported. We look forward to working with NT Police and our Communities to continue to build a better future together!

Assessment of Council's Performance Against Strategic Pillars

West Arnhem Regional Council's strategic plan outlines six foundational pillars that reflect the community's priorities and needs. The following is an assessment of the Council's performance against the objectives set for each pillar in the 2023-24 Regional Plan.

This review allows for a transparent evaluation of the progress made towards achieving the Council's goals.

Council has tracked the results as follows:

Pillar 2: Increased Local

Indigenous Employment

2.1 Indigenous Employment Framework

2.2 Traineeships and Apprenticeships

2.3 Policy and Procedures

- Target Achieved Target Partially Achieved Target In Progress
 - X Target Not Achieved

Pillar 1: Partnerships, **Relationships and Belonging**

- 1.1 Community Engagement
- 1.2 Economic Partnerships 1.3 Communication
- 1.4 Community Events
- 1.5 Cultural Awareness Training
- 1.6 Youth Engagement

Pillar 3: Safety and Wellbeing

6.2 Records Delivery of storage and retrieval of records processes which support efficient and transparent administration	Maintain records in accordance with legislation	Statutory requirements including freedom of information fully complied with	100%	TARGET IN PROGRESS: 90%
	Implement disposal schedule by sentencing and disposing of records	Electronic records held in records management system eligible for destruction sentenced	85%	TARGET IN PROGRESS: 84%
	Train staff in the use of Council's records management system - currently 'Magiq'	Training delivered to new staff using records management system 'Magiq' during their probation period	85%	TARGET IN PROGRESS: 84%
	Support staff to identify and save important records	Number of queries/ requests telephoned or sent to records@ for support and responded to within 24 hours	85%	OTARGET ACHIEVED: 90%

Goal	Strategy	Measure	Target	Result
6.3 Council and Local Authorities	Ensure capacity for customer relationship management, including mechanisms for feedback on service delivery	Complaints and positive feedback reported to the administration	100%	✓ TARGET ACHIEVED
Excellence in governance, consultation administration and representation		Complaints acknowledged within five working days	90%	C TARGET ACHIEVED
		Complaints finalised within fifteen working days	95%	Contraction Target Achieved
	Improve accountable and transparent decision-making by facilitating the participation of Councillors in Council, Committee and Local Authority	At least one training program attended each financial year by Council and Local Authority Members	100%	TARGET NOT ACHIEVED
	Meetings	Ongoing administrative and secretarial support for Council, Local Authority and Committee Meetings provided	100%	✓ TARGET ACHIEVED
		Four meetings of each Local Authority held each financial year	100%	TARGET NOT ACHIEVED
	Enable community members to participate in local decision- making by ensuring that non-confidential Agendas and Minutes of Council are publicly available at Council offices in each community	All non-confidential Agendas and Minutes publicly available three working days before a meeting (Agendas) and ten working days after a meeting (Minutes)	100%	✓ TARGET ACHIEVED
	Establish formal and informal mechanisms for community consultation on key issues and input into decision-making	Community outreach event hosted by Council in each community every financial year	100%	✓ TARGET ACHIEVED
	Create opportunities for Councillors and senior staff to be available to community members to discuss Council decisions, programs and projects, either informally or through community meetings	Local Authority Meetings attended by at least one relevant Councillor and at least one Senior Manager	100%	✓ TARGET ACHIEVED
	Ensure advocacy and representation of Council interests through government, the private sector and the media	Advocacy framework, strategy and communication reviewed	December 2023	✓ TARGET ACHIEVED
	Create an advocacy framework, strategy and communication plan in consultation with Councillors			TARGET PARTIALLY ACHIEVED

Goal	Strategy	Measure	Target	Result
6.4 Risk Management The monitoring and minimisation of risks associated with the operations of Council	Update risk registers and ensure appropriate treatment plans are implemented	Overall risk rating within the risk register reduced	10% reduction	✓ TARGET ACHIEVED
	Undertake internal audits as per audit plan	Internal audits completed as per the adopted plan	100%	TARGET NOT ACHIEVED: Internal Audit Plan will commence in the 24/25 FY
	Regularly review insurance cover and premiums	Annual full appraisal of cover required, policies reviewed via insurance broker	June 2023	✓ TARGET ACHIEVED

Goal	Strategy	Measure	Target	Result
6.5 Planning and Reporting Robust planning and reporting that supports Council's decision-making processes	Produce key policy and direction documents for the Council including the Regional Plan, Annual Reports and policies	Regional Plan finalised and shared, Annual Report delivered, and policies requiring review are reviewed and updated as per required timelines	100%	✓ TARGET ACHIEVED
	Jabiru Masterplan Meetings are attended by CEO and/or designated executive	All Masterplan meetings scheduled are attended	100%	✓ TARGET ACHIEVED

Goal	Strategy	Measure	Target	Result
6.6 Information and Communication Technology Effective and innovative information technology solutions which maximise service delivery and support Council's operations	Plan and deliver Council's technology needs through the provision of a well-maintained and managed information and communication technology (ICT) platform	Council's ICT Strategic Plan reviewed annually by 31 December	December 2023	TARGET NOT ACHIEVED: Priority on ICT transformation and planned move away from CouncilBIZ on premises service model to operate in the Cloud
	Optimise the delivery of ICT services and equipment to required work locations to meet staff and service delivery needs	Industry standard hardware and maintenance and replacement schedule complied with	90%	TARGET NOT ACHIEVED: To be progressed in 2024-25
	Provision of innovative, relevant and cost-effective ICT solutions to solve service delivery challenges	Annual review of ICT needs in line with the ICT Strategic Plan completed	100%	TARGET IN PROGRESS: Part of ICT transformation and move to operating in the Cloud
	Optimise costs associated with ICT delivery, including communications, both fixed and mobile, data, voice and video services and staff equipment	-	100%	TARGET IN PROGRESS

Statement 1.2 Annual Operating Position

Statement 2. Reasons for Material Variations between the Final Budget and Actual Performance

Operating Income

Operating Income had a negative variance to the amended budget of \$8.1M. Rates and Charges were below expectation. There was a \$0.5M error in the final budget amount for general rates for Gunbalanya and water use in Jabiru was below the expected volume. There was also a reduction in Commercial and Other Income resulting from the differences in accounting treatment (i.e. internal allocation income was removed from the audited financial report but included in the budget process).

was not a budget item, and as such has resulted in an \$8.0M unbudgeted non-cash expense. Employee expenses were under budget by \$2.8M due to staff shortages and position vacancies. Council found some jobs difficult to fill due to a tight, competitive labour market. Materials and Contract costs were under budget by \$2.2M as a result of over budgeting of contractors and service expenses.

Capital Expenditure

Operating Expenses

Overall, the Operating Expenditure is in a net favourable position of \$2.2M due to a number of reasons. Depreciation, Amortisation and Impairment

West Arnhem Regional Council's capital expenditure reflects the acquisition/creation of new assets as well as renewal of existing ones. Capital expenditure for the 2024 Financial Year was under budget by \$1.7M. This budget variance are due to the delay in completion of several projects, which will now occur in the 2025 Financial Year.

Table 3.1 Total Expenditure for Each Council Committee and Local Authority

For the year ending 30 June 2024	Council Committee & LA Allowances * \$	Council Committee & LA Expenses ** \$	Total \$
Audit Committee	3,548	1,668	5,216
Gunbalanya LA Members	5,050	105	5,155
Maningrida LA Members	5,150	-	5,150
Minjilang LA Members	4,700	-	4,700
Warruwi LA Members	5,000	-	5,000
TOTAL	23,448	1,773	25,221

Key Performance Indicators

The financial performance indicators detailed below inform all interested parties on how well Council is performing compared to industry benchmarks.

Asset Sustainability Ratio

This ratio helps to show whether Council is replacing assets as their service potential is used up. Some assets are absolutely essential – roads, sewerage and water treatment facilities, etc. This ratio helps to identify whether Council will be able to continue services associated with these assets.

All Northern Territory councils struggle to replace assets as and when this is needed, and this has been the subject of several reviews undertaken by the NT Government.

The Target Benchmark is greater than 90%. **Result** 2023-2024 = 47% **Result** 2022-2023 = 67%

Operating Surplus Ratio

This ratio shows whether Council has the ability to cover its operating costs from operating revenues. Like all businesses, Council must ensure that it has sufficient revenue to meet its operating costs. Achieving a positive result means that Council is covering its costs and is able to apply the surplus to capital expenditure.

The Target Benchmark is between 0% and 10%. **Result** 2023-2024 = 11% **Result** 2022-2023 = -9%

Current Ratio

The current ratio is a liquidity ratio that measures Council's ability to pay its short-term obligations. To gauge this ability, the current ratio considers the current total assets (both liquid and illiquid) relative to the current total liabilities. Council's current ratio of 0.88 means that it has 0.88 times current assets in relation to current liabilities.

The Target Benchmark is greater than 1. **Result** 2023-2024 = 0.88 **Result** 2022-2023 = 0.98

Rate Coverage Ratio

This ratio measures Council's dependence on rate revenue to fund its operations. The higher the ratio the more Council's revenue is sourced from its rating base which in turn means a lower dependency on grant funding. Like many regional councils, WARC is substantially dependent on grant funding which reduces its flexibility and control when it comes to budget options. The challenge for Council is to improve this ratio in the face of limited alternative funding sources and a very limited rates base.

The Target Benchmark is greater than 40%. **Result** 2023-2024 = 17% **Result** 2022-2023 = 21%

Note 1 Material Accounting Policy Information

The financial statements cover West Arnhem Regional Council as an individual entity, incorporated and domiciled in Australia. West Arnhem Regional Council is operating pursuant to the NT Local Government Act 2019 and NT Local Government (General) Regulations 2021.

The financial statements were authorised for issue on November 2024 by the Councillors of the Council.

Statement of Compliance

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB), the requirements of the Local Government Act 2019, Local Government (General) Regulations 2021 and other authoritative pronouncements of the Australian Accounting Standard Board.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

Basis of Preparation

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements are in Australian Dollars and have been rounded to the nearest dollar.

Critical Accounting Estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Council's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements , are disclosed in Note 1(p) Critical Accounting Judgements, Estimates and Assumptions.

Current and Non Current Classification

Assets and liabilities are presented in the statement of financial position based on current and non current classifications.

An asset is classified as current when it is either expected to be realised or intended to be sold or consumed in the Council's normal operating cycle, it is held primarily for the purpose of trading, it is expected to be realised within 12 months after the reporting period and or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non current.

A liability is classified as current when it is either expected to be settled in the Trust's normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within 12 months after the reporting period and or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non current.

Material Accounting Policies

(a) Revenue and Other Income Recognition

The Council recognises revenue as follows :

Revenue from Contracts With Customers

Revenue is recognised at an amount that reflects the consideration to which the Council is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the Council identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

- 185 -

Note 1 Material Accounting Policy Information (Cont.)

(a) Revenue and Other Income Recognition (Cont.)

Operating Grants

Grant revenue is recognised in profit or loss when the Council satisfies the performance obligations stated within the funding agreements.

Funding arrangements which are enforceable and contain sufficiently specific performance obligations are recognised as revenue under AASB15. Otherwise, such arrangements are accounted for under AASB 1058, where upon initial initial recognition of an asset, the Association is required to consider whether any other financial statement elements should be recognised (for example financial liabilities representing repayable amounts), with any difference being recognised immediately in profit or loss as income.

If conditions are attached to the grant which must be satisfied before the Council is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied.

Capital Grant

When the Council receives a capital grant, it recognises a liability for the excess of the initial carrying amount of the financial asset received over any related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer) recognised under other Australian Accounting Standards.

Rates

Rates are recognised as revenue when the Council obtains control over the asset comprising the receipt.

Rates are an enforceable debt linked to rateable property that will be recovered when the property is sold, and therefore control normally passes at the time of levying, or where earlier upon receipt of rates paid in advance. The rating period and reporting period for the Council coincide and accordingly, all rates levied for the year are recognised as revenue.

Uncollected rates are recognised as receivables.

Contributed Assets

The Council receives assets from the government and other parties for Nil or nominal consideration in order to further its objectives. These assets are recognised in accordance with the recognition requirements of other applicable accounting standards (AASB 9, AASB 16, AASB 116 and AASB 138).

On initial recognition of an asset, the Council recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer).

The Council recognises income immediately in profit or loss as the difference between initial carrying amount of the asset and the related amounts.

Interest Income

Interest income is recognised using the effective interest method.

Donations and Bequests

Donations and bequests are recognised on receipt of the funds with control of this revenue having passed to the Council.

Income from Sale of Goods

Revenue from the sales of goods and the rendering of a service is recognised upon the delivery of the goods and services to the customers.

A receivable will be recognised when the goods are delivered. The Council's right to consideration is deemed unconditional at this time as only the passage of time is required before payment of that consideration is due. There is no significant financing component because sales are made within a credit term of 30 to 45 days.

The Council's historical experience with sales returns show that they are negligible and considered to be highly improbable. As such no provision for sale refunds is recognised by the Council at the time of sale of goods.

All revenue is stated net of the amount of goods and services tax.

- 186 -

Note 1 Material Accounting Policy Information (Cont.)

(b) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated, less, where applicable, accumulated depreciation and any impairment losses.

Freehold Property

Freehold land and Buildings are shown at their fair value based on periodic, but at least triennial, valuations by external independent valuers, less subsequent depreciation for buildings.

In periods when the Freehold Land and Buildings are not subject to an independent valuation, the Councillors conduct Councillors' valuations to ensure the carrying amount for the Land and Buildings is not materially different to the fair value.

Increases in the carrying amount arising on revaluation of Land and Buildings are recognised in other comprehensive income and accumulated in the revaluation surplus in equity. Revaluation decreases that offset previous increases of the same class of assets shall be recognised in other comprehensive income under the heading of revaluation surplus. All other decreases are recognised in profit or loss.

Any accumulated depreciation at the date of the revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Freehold Land and Buildings that have been contributed at no cost, or for nominal cost, are initially recognised and measured at the fair value of the asset at the date it is acquired.

Plant and Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(f) for details of impairment).

Plant and equipment that have been contributed at no cost, or for nominal cost, are valued and recognised at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate Life (years)
Buildings, structures and site	10.00
improvements and improvements	10-60 years
Infrastructure	15- 100 years
Plant and equipment	1-14 years
Roads	2-100 years
Furniture and Fittings and office	
Equipment	1- 5 years
Motor Vehicles	1-5 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

Note 1 Material Accounting Policy Information (Cont.)

(c) Leases

At inception of a contract, the Council assess if the contract contains or is a lease. If there is a lease present, a right-ofuse asset and a corresponding lease liability is recognised by the Council where the Council is a lessee. However all contracts that are classified as short term leases (lease with remaining lease term of 12 months or less) and leases of low value assets are recognised as an operating lease on a straight-line basis over the term of the lease.

Initially the lease liability is measured at the present value of the lease payments still to be paid at commencement date. The lease payments are discounted at the interest rate implicit in the lease. If this rate cannot be readily determined, the Council uses the incremental borrowing rate.

Lease payments included in the measurement of the lease liability are as follows :

- fixed lease payments less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantees;
- the exercise price of purchase options, if the lessee is reasonably certain to exercise the options;
- lease payments under extension options, if the lessee is reasonably certain to exercise the options; and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The right-of-use assets comprise the initial measurement of the corresponding lease liability as mentioned above, any lease payments made at or before the commencement date as well as any initial direct costs. The subsequent measurement of the right-of-use assets is at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the lease term or useful life of the underlying asset whichever is the shortest. Where a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the Council anticipates to exercise a purchase option, the specific asset is depreciated over the useful life of the underlying asset.

Concessionary Leases

For leases that have significantly below market terms and conditions principally to enable the Council to further its objectives (commonly known as peppercorn / concessionary leases), the Council has adopted the temporary relief under AASB 2019-8 and measures the right of use assets at cost on initial recognition.

(d) Right of Use Assets

A Right of Use Asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right of Use Assets are depreciated on a straight line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the Council expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right of Use Assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

(e) Impairment of Financial Assets

The Council recognises a loss allowance for expected credit losses on:

- financial assets that are measured at amortised cost or fair value through other comprehensive income;
- contract assets (eg amount due from customers under contracts).

The Council uses the following approach to impairment, as applicable under AASB 9: Financial Instruments: - the simplified approach.

Simplified approach

The simplified approach does not require tracking of changes in credit risk at every reporting period, but instead requires the recognition of lifetime expected credit loss at all times.

- This approach is applicable to:
 - trade receivables: and
 - lease receivables.

In measuring the expected credit loss, a provision matrix for trade receivables is used taking into consideration various data to get to an expected credit loss (i.e. diversity of its customer base, appropriate groupings of its historical loss experience, etc).

Note 1 Material Accounting Policy Information (Cont.)

(e) Impairment of Financial Assets (Cont.)

Recognition of expected credit losses in financial statements At each reporting date, the Council recognises the movement in the loss allowance as an impairment gain or loss in the statement of profit or loss and other comprehensive income.

(f) Impairment of Non Financial Assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in profit or loss.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

Where an impairment loss on a revalued individual asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

(g) Employee Benefits

Short-term employee benefits

Provision is made for the Council's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and annual leave and superannuation. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Council's obligations for short-term employee benefits such as wages, salaries and superannuation are recognised as a part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

The Council classifies employees' long service leave and annual leave entitlements as other long-term employee benefits as they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the Council's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Council's obligations for long-term employee benefits are presented as non-current liabilities in its statement of financial position, except where the Council does not have an unconditional right to defer settlement for at least twelve months after the reporting date, in which case the obligations are presented as current liabilities. The Company based on past experience records employee's long service leave entitlements on commencement of their employement within the Council.

Retirement benefit obligations

Superannuation benefits

All employees of the Council receive accumulated contribution superannuation entitlements, for which the Council pays the fixed superannuation guarantee contribution to the employee's superannuation fund of choice. For the period 1 July 2022 to 30 June 2024 this was 11% of the employee's ordinary average salary. From 1 July 2024 this rate has increased to 11.5%. All contributions in respect of employees' accumulated contribution entitlements are recognised as an expense when they become payable. The Council's obligation with respect to employees' accumulated contributions at the end of the reporting period. All obligations for unpaid superannuation guarantee contributions at the end of the reporting period. All obligations for unpaid superannuation guarantee contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are presented as current liabilities in the Council's statement of financial position.

(h) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

12

Note 1 Material Accounting Policy Information (Cont.)

(i) Trade and Other receivables

Trade and other receivables include amounts due from clients for fees and goods and services provided, from donors and any outstanding grant receipts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for measurement. Refer to Note 1(e) for further discussions on the determination of impairment losses.

(j) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(k) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax* Assessment Act 1997.

(I) Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the Council during the reporting period that remain unpaid at the end of the reporting period. Trade payables are recognised at their transaction price. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(m) Contract Liabilities

Contract liabilities represent the Council's obligation to transfer goods or services to a customer or complete required performance obligations and are recognised when a customer pays consideration, or when the Council recognises a receivable to reflect its unconditional right to consideration (whichever is earlier), before the Council has transferred the goods or services to the customer and or completed required performance obligations.

(n) Provisions

Provisions are recognised when the Council has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of reporting period.

(o) Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(p) Critical Accounting Judgements, Estimates and Assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

(i) Valuation of buildings

The Council assesses impairment of land and buildings at each reporting date by evaluating conditions specific to the Council and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs to sell or value-in-use calculations, which incorporate a number of key estimates and assumptions. There was no provision for land and buildings impairment at 30 June 2024 (2023: \$Nil).

Note 1 Material Accounting Policy Information (Cont.)

(p) Critical Accounting Judgements, Estimates and Assumptions (Cont.)

(ii) Useful lives of property, plant and equipment

As described in Note 1(b), the Council reviews the estimated useful lives of property, plant and equipment at the end of each reporting period, based on the expected utility of the assets.

The Council determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

(iii) Impairment- General

The Council assesses impairment at the end of each reporting period by evaluating conditions and events specific to the Council that may be indicative of impairment triggers.

Impairment of leasehold improvements and plant and equipment

The Council assesses impairment of infrastructure and plant and equipment at each reporting date by evaluating conditions specific to the Council and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs to sell or value-in-use calculations, which incorporate a number of key estimates and assumptions. There was no provision for impairment of infrastructure and plant and equipment at 30 June 2024 (2023: \$Nil).

Impairment of accounts receivable

The provision for impairment of receivables assessment requires a degree of estimation and judgement. The level of provision is assessed by taking into account the recent sales experience, the ageing of receivables, historical collection rates and specific knowledge of the individual debtors' financial position. Provision for impairment of receivables at 30 June 2024 amounted to \$36,638 (2023: \$57,843).

(iv) Performance Obligations Under AASB 15

To identify a performance obligation under AASB 15, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. Management exercises judgement to determine whether the promise is sufficiently by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, management includes the nature / type, cost /value, quantity and the period of transfer related to the goods or services promised.

(q) Fair Value of Assets and Liabilities

The Council measures some of its assets at fair value on either a recurring or non-recurring basis, depending on the requirements of the applicable Accounting Standard.

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interests. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are

(r) Economic Dependence and Going Concern

The financial statements have been prepared on a going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

The Council is dependent upon the ongoing receipt of grants from the Commonwealth and Northern Territory Government to ensure the continuance of its activities. The Council is also currently in negotiations with the Northern Territory Government to secure additional one-off funding. At this date of this report management has no reason to believe that Council will not continue to receive funding support from the Commonwealth and Northern Territory Governments.

Note 1 Material Accounting Policy Information (Cont.)

(s) New and Amended Accounting Standards and Policies Adopted By The Council

AASB 2021-2: Amendments to Australian Accounting Standards - Disclosure of Accounting Policies and Definition of Accounting Estimates.

The Corporation adopted AASB 2021-2 which amends AASB 7, AASB 101, AASB 108 and AASB 134 to require disclosure of "material accounting policy information" rather than "significant accounting policies" in an entity's financial statements. It also updates AASB Practice Statement 2 to provide guidance on the application of the concept of materiality to accounting policy disclosures.

The adoption of the amendment did not have a material impact on the financial statements.

AASB 2021-6: Amendments to Australian Accounting Standards – Disclosure of Accounting Policies: Tier 2 and Other Australian Accounting Standards.

AASB 2021-6 amends AASB 1049 and AASB 1060 to require disclosure of 'material accounting policy information' rather than "significant accounting policies" in an entity's financial statements. It also amends AASB 1054 to reflect the updated terminology used in AASB 101 as a result of AASB 2021-2. The adoption of the amendment did not have a material impact on the financial statements.

AASB 2022-7: Editorial Corrections to Australian Accounting Standards and Repeal of Superseded and Redundant Standards.

AASB 2022-7 makes editorial corrections to various Australian Accounting Standards and AASB Practice Statement 2. It also formally repeals the superseded and redundant Australian Accounting Standards set out in Schedules 1 and 2 of this standard.

The adoption of the amendment did not have a material impact on the financial statements.

Durng 2024 the Council carried out an assessment of the fair value of its property, roads and infrastructure assets. Key assets within these categories were evaluated with impairment testing undertaken and current fair value considered.

The existing cost and accumulated deprecaition basis for these asets was considered to still be appropriate as at 30 June 2024, given the assets location, their existing and continued use by Council and their cost of replacement and remaining useful lives.

The Council undertook to engage independent valuers in 2024 to conduct an independent valuation of its property, roads and infrastructure assets. The independent valuation process is still ongoing and will be completed in 2025.

- 196 -

Note 9	Right of Use Assets	2024 \$	2023 \$
	NON CURRENT		
	Right of Use Assets : Leased Buildings Less Accumulated depreciation	9,088,930 (1,323,914)	8,490,367 (1,107,599)
		7,765,016	7,382,768

The Council's lease portfolio includes lease of buildings and motor vehicles. The Property leases have an average of 20 years as their lease term.

The option to extend or terminate are contained in several of the property leases of the Council. These clauses provide the Council the opportunities to manage leases in order to align with its strategies. All of the extension or termination options are only exercisable by the Council. The extension or termination options which were probable to be exercised have been included in the calculation of the Right of Use Asset.

Provision For Employee Benefits		

Employee provisions represents amounts accrued for annual leave and long service leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements and the amount accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the Council does not expect the full amount of annual leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the Council does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The non-current portion for this provision includes amounts accrued for long service leave entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service.

In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based upon historical data. The measurement and recognition criteria for employee benefits have been discussed in Note 1(g).

Note 17 Lease and Capital Expenditure Commitments Outstanding:

(a) Lease Liability Lease Commitments Leasehold rental commitments Committed at the reporting date but not recognised as liabilities, payable:	2024 \$	2023 \$
Within one year One to five years	502,356 2.185,756	445,788 1,988,200
More than 5 years	12,221,211	11,664,454
	14,909,323	14,098,441
(b) Operating Lease Commitments Leasehold rental commitments Committed at the reporting date but not recognised as liabilities, payable:	2024 \$	2023 \$
Within one year One to five years	16,343	50,260
More than 5 years		50,260

The non-cancellable operating leasing commitments in 2024 were for the short term lease of Section 19 leases. All such leases at 30 June 2024 are on a month to month basis.

(c) Capital Expenditure Commitments

The Council has capital expenditure commitments of \$4,510,327 as at 30 June 2023 (2023: \$1,083,474). Of this a significant portion is being funded through specific grant programs.

Note 18 Contingent Liabilities and Contingent Assets

The Council is not aware of any Contingent Liabilities and Contingent Assets as at 30 June 2024 (2023: \$Nil).

Note 19 Events After the Reporting Period

In 2024 the Council engaged a consultant to review its lease commitments. A report in terms of the lease costs, additional commitments and associated schedule of works was provided to the Council on 30 September 2024. Although the estimated financial effect on Council is potentially significant, no liability has been recognised as the quantum has not been reliably established and further discussion with the lessor is required.

The Council agreed in 2024 to begin negotiating an Enterprise Bargaining Agreement (EBA), for the first time with employees. An offer of a 4% pay increase at the date of signing the EBA, followed with a 3% per annum pay increase at the comencement of the next two financial years, has been made without back payment. Council is currently in negotiations with employees over this offer.

Council is not aware of any other significant events since the end of the reporting period that have significantly affected, or may significantly affect the Council's operations, the results of those operations, or the Council's state of affairs in future financial years.

Note 20 Financial Risk Management

The Council's financial instruments consist mainly of deposits with banks accounts, receivables and payables.

The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

Financial assets	Note	2024 \$	2023 \$
Cash on hand	4	8,669,259	8,481,990
Trade and other receivables	5	1,567,093	3,107,261
Total financial assets		10,236,352	11,589,251
Financial liabilities			
Financial liabilities at amortised cost: Trade and other payables Lease Liabilities	10 13	3,649,126 8,746,301	3,643,988 8,138,627
Total financial liabilities		12,395,427	11,782,615

Financial Risk Management Policies

Management is responsible for mentoring and managing the Council's compliance with its risk management strategy. The committee's overall risk management strategy is to assist the Council in meeting its financial targets whilst minimising potential adverse effects on financial performance. These include credit risk policies and future cash flow requirements.

Specific Financial Risk Exposures and Management

The main risks the Council is exposed to through its financial instruments are credit risk, liquidity risk and market risk relating to interest rate risk. There has been no substantive change in the types of risk the Council is exposed to, how these risks arise, management's objectives, policies and procedures for managing or measuring risks from the previous period.

25

Note 20 Financial Risk Management (Cont.)

a. Credit Risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss for the Council.

Credit risk exposures

The maximum exposure to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying amount and classification of those financial assets (net of any provisions) as presented in the statement of financial position.

Legislative restrictions on Council's investment powers effectively limit investments to financial instruments issued or guaranteed by Australian Governments, banks and authorised deposit taking institutions. Rates and other receivables are monitored on an ongoing basis with the result that the Council's exposure to bad debts is not significant.

The Council has no significant concentrations of credit risk exposure to any single counterparty or group of counterparties. Details with respect to credit risk of accounts receivable and other debtors are provided in Note 6.

b. Liquidity risk

Liquidity risk arises from the possibility that the Council might encounter difficulty in settling its debts or otherwise meeting its obligations in relation to financial liabilities. The Council manages this risk through the following mechanisms:

> preparing forward-looking cash flow analysis in relation to its operational, investing and financing activities.

> maintaining short term investments to cater for unexpected volatility in cash flows

> monitoring the ageing of receivables and payables.

> maintaining a reputable credit profile.

> managing credit risk related to financial assets

> only investing surplus cash with major financial institutions.

c. Market risk

Interest rate risk

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments. The Council is also exposed to earnings volatility on floating rate instruments.

The financial instruments that expose the Council to interest rate risk are limited to cash and cash equivalents.

The Council also manages interest rate risk by ensuring that, whenever possible, payables are paid within any pre-agreed credit terms.

(ii) Sensitivity analysis

The following table illustrates sensitivities to the Council's exposures to changes in interest. The table indicates the impact on how profit reported at the end of the reporting period would have been affected by changes in the relevant risk variable that management considers to be reasonably possible.

These sensitivities assume that the movement in a particular variable is independent of other variables.

	2024 \$	2023 \$
Surplus \$ (+/- 1% in interest rates)	85,756	92,292

No sensitivity analysis has been performed on foreign exchange risk as the entity has no material exposures.

Refer to Note 18 for detailed disclosures regarding the fair value measurements of the Council financial assets.

- 203 -

Note 21 Fair Values Measurements

Fair value estimation

The Council measures and recognises the following assets and liabilities at fair value on a recurring basis after initial recognition:

- financial assets at fair value through profit or loss; financial assets at fair value through other comprehensive income; and
- freehold land and buildings.

The Council does not subsequently measure any liabilities at fair value on a recurring basis, or any assets or liabilities on a non-recurring basis.

The fair values of financial assets and financial liabilities are presented in the following table and can be compared to their carrying values as presented in the statement of financial position.

		2024 Carrying			2023 Carrying	
	Note	Amount	Fair Value \$	Amount \$	Fair Value \$	
Financial assets						
Cash on hand and at bank Trade and other receivables	4,20 5,20	8,669,259 1,567,093	8,669,259 1,567,093	8,481,990 3,107,261	8,481,990 3,107,261	
Total financial assets		10,236,352	10,236,352	11,589,251	11,589,251	
Financial liabilities						
Trade and other payables Lease Liabilities	10,20 13,20	3,649,126 8,746,301	3,649,126 8,746,301	3,643,988 8,138,627	3,643,988 8,138,627	
Total financial liabilities		12,395,427	12,395,427	11,782,615	11,782,615	

(i) Cash on hand, accounts receivable and other debtors, and accounts payable and other payables are short-term instruments in nature whose carrying value is equivalent to fair value. Trade and other payables exclude amounts provided for annual leave, which is outside the scope of AASB 139.

(ii) Lease liabilities fair values are assessed on an annual basis by Management and the Directors . Current available data is used in assessing their carrying and fair values.

A fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either: (a) (b)

in the principal market for the asset or liability; or in the absence of a principal market, in the most advantageous market for the asset or liability."

		2024 Carrying		2023 Carrying	i
	Note	Amount \$	Fair Value \$	Amount \$	Fair Value \$
Non-Financial assets					
Road and Structure and Site Improvements	8	77,693,529	77,693,529	80,390,192	80,390,192
Total non- financial assets		77,693,529	77,693,529	80,390,192	80,390,192

For land and buildings and improvements, the fair values are based on either their fair value and or cost, less where applicable any accumulated depreciation and impairment provision.

In the Councillor' annual assessment of impairment of assets, the cost basis of buildings and improvements less their accumulated depreciation, is considered to be the appropriate base still for valuing all the building and improvement assets owned and or controlled by the Council. This basis is considered appropriate given the assets' location, their existing and continued use and the cost of replacement.

te 22	Auditor's Fees	2024	2023
	Audit of the Financial Report:	\$	\$
	Audit Fees	45,900	39,100
		45.900	39.100

Note 23 Council Details

Note

West Arnhem Regional Council ABN 45 065 336 873 is the Regional Council for the local government area of the West Arnhem Region, in the Northern Territory, Australia, established under the Local Government Act. Its principal activities are to deliver the usual services of a local Council, as well as certain commercial activities. Its address is 13 Tasman Crescent, Jabiru NT 0886.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WEST ARNHEM REGIONAL COUNCIL

Opinion

We have audited the financial report of West Arnhem Regional Council (the Council), which comprises the statement of financial position as at 30 June 2024, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the Chief Executive Officer's Certificate.

In our opinion, the accompanying financial report of West Arnhem Regional Council, is in accordance with the *Northern Territory Local Government Act 2019* including:

- (i) giving a true and fair view of the Council's financial position as at 30 June 2024 and of its financial performance and its cashflows for the year then ended; and
- (ii) complying with Australian Accounting Standards and the *Northern Territory Local Government (General) Regulations 2021.*

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Councillors and Chief Executive Officer are responsible for the other information. The other information comprises the information in West Arnhem Regional Council 's annual report for the year ended 30 June 2024, but does not include the financial report and the auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the other information we are required to report that fact. We have nothing to report in this regard.

Advisory. Tax. Audit.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WEST ARNHEM REGIONAL COUNCIL (CONT.)

Responsibilities of the Councillors and Chief Executive Officer for the Financial Report

The Councillors and Chief Executive Officer of West Arnhem Regional Council are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Northern Territory Local Government Act 2019* and for such internal control as the Councillors and Chief Executive Officer determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Councillors and Chief Executive Officer are responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Councillors and Chief Executive Officer either intend to liquidate the Council or to cease operations, or have no realistic alternative but to do so.

The Councillors and Chief Executive Officer are responsible for overseeing the Council 's financial reporting process.

Auditor's responsibility for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or taken together, they could reasonably be expected to influence the economic decisions of users taken based on this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by those charged with governance.

Advisory. Tax. Audit.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WEST ARNHEM REGIONAL COUNCIL (CONT.)

Auditor's responsibility for the audit of the financial report (Cont.)

- Conclude on the appropriateness of the Councillors and Chief Executive Officer use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Council to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Councillors and Chief Executive Officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

West Arnhem Regional Council

WEST ARNHEM REGIONAL COUNCIL

FOR THE MEETING 11 March 2025

Agenda Reference:	9.2
Title:	Mechanic for the Warruwi Community
Author:	Kylie Gregson, Manager Technical Services

SUMMARY

The Local Authority of Warruwi Community are requesting a mechanic to service vehicles for the members of the public.

RECOMMENDATION

THAT THE LOCAL AUTHORITY receive and note the report titled *Mechanic for the Warruwi Community*.

BACKGROUND

West Arnhem Regional Council (WARC) currently have two mechanics based in Jabiru on rotating schedule to service and maintain WARC fleet across Warruwi, Minjilang and Maningrida communities. Local Authority requested administration to investigate the process to have a mechanic to service community vehicles.

COMMENT

Administration have explored suitable options and operating models to source a full-time and/or visiting mechanic to Warruwi to service community vehicles. The significant challenges faced however prohibit financial viability and sit outside council operations capacity.

The primary obstacles include but are not limited to:

- limited housing and accommodation availability;
- the WARC workshop is not set up for public works. Access for community members to drop off vehicles would require infrastructure improvements including a shop front for local customer enquiries and upgrade of current facilities to deliver the works; and
- The impost on council funding to operate a financially unviable commercial workshop will reduce available budget to deliver other necessary council services.

Currently WARC have a rotational schedule for a WARC fleet mechanic to attend community which effectively services WARC assets however time constraints do not provide for vehicles outside immediate WARC fleet. As the Warruwi Community has a population of circa 450 residents, a full-time dedicated mechanic would not have sufficient work to maintain a full-time viable business model whilst a visiting mechanic would require a suitable location to provide service, and the community has no site provision of this. Additionally, a sustainable supply chain for parts and consumables will incur a setup cost and ongoing funding to provide mechanical service.

Administration will continue to seek alternative solutions including sourcing partnerships with other stakeholders to establish their current servicing models and availability of realistic resource sharing.

LEGISLATION AND POLICY

Not Applicable.

FINANCIAL IMPLICATIONS

Not Applicable.

STRATEGIC IMPLICATIONS

This report aligns to the following pillars and goals as outlined in the *Regional Plan and Budget*: **PILLAR 4 SERVICE DELIVERY AND BUILT ENVIRONMENT**

We provide high quality infrastructure and service delivery that meets the unique needs of each community, creates a sense of place, and contributes towards promoting a sense of pride in community.

Goal 4.2 Fleet, Plant and Equipment

Provide a modern and well-maintained fleet of plant and vehicles capable of meeting service delivery requirements.

ATTACHMENTS

Nil

WEST ARNHEM REGIONAL COUNCIL

FOR THE MEETING 11 MARCH 2025

Agenda Reference:	9.3
Title:	Warruwi Cemetery Progress Report
Author:	Sara Fitzgerald, Waste and Resource Coordinator

SUMMARY

This report is to notify the Local Authority of progress towards declaring a cemetery in the Warruwi Community.

RECOMMENDATION

THAT THE LOCAL AUTHORITY received and noted the report entitled *Warruwi Cemetery Progress Report.*

BACKGROUND

The Council has been working towards delivering a culturally appropriate declared cemetery for the Warruwi Community with no current official burial ground or cemetery available in location. Northern Territory Government updated the Burials and Cremations Act in 2022 making Local Government the owners of cemetery facilities across the Northern Territory. WARC has been working towards declaring an official cemetery site in Warruwi Community under the new Act.

As a part of the process of declaring a cemetery WARC has been working with the community to identify an appropriate site for a cemetery and provide a design that is both practical and culturally suitable.

The council applied for a grant through the Remote Burials and Cremations Grant program to undertake ground penetrating radar at the current burial site and waterfront site, both of which have been used historically for burials.

This work will enable Council to locate the position of any gravesites and enable planning for future burials. It will also open the opportunity to work with community to determine what needs and wants can be met in officially establishing a community cemetery.

COMMENT

The total for this project is \$13,685.00, that will be fully funded through the Remote Burials grant program. We anticipate this project will commence the week of 24 March 2025 pending weather conditions.

The ground penetrating radar results will be shared with the local authority and wider Warruwi Community. This information forms the basis for consultation with the community to identify where a cemetery should be located. Moving forward the council will then apply for a lease and design a culturally appropriate solution.

LEGISLATION AND POLICY

Local Government Act 2019 Burials and Cremations Act 2022

FINANCIAL IMPLICATIONS

As per Remote Burials Grant agreement conditions.

STRATEGIC IMPLICATIONS

This report is aligned to the following pillars and goals of the *Regional Plan and Budget*: **PILLAR 1 PARTNERSHIPS, RELATIONSHIPS AND BELONGING**

Investing in relationships and partnerships at all levels supports and strengthens community and belonging. We prioritise the value of partnerships and relationships as a key determinant of a happy, strong, and thriving community.

Goal 1.1 Community Engagement

Seek out and support diverse perspectives and collaborations with community, community leaders, businesses, agencies, and local service providers to enhance community life.

PILLAR 3 SAFETY AND WELLBEING

As an 'Employer of Choice', we provide and promote a positive culture of safety, inclusion, and respect. Our people are skilled, informed and have opportunities to grow and develop within our organisation. Services provided to the community are professional, impactful, engaging, and appropriate to local needs.

Goal 3.1 Cultural Safety

Delivery of actions in the WARC 'Innovate' Reconciliation Action Plan.

Goal 3.4 Community Service Delivery

Provision of high quality, culturally informed programs that support and enhance the safety and wellbeing of community members.

PILLAR 4 SERVICE DELIVERY AND BUILT ENVIRONMENT

We provide high quality infrastructure and service delivery that meets the unique needs of each community, creates a sense of place, and contributes towards promoting a sense of pride in community.

Goal 4.1 Strategic Infrastructure and Asset Management

Strategically manage, maintain and enhance community infrastructure.

PILLAR 6 FOUNDATIONS OF GOVERNANCE

Integrity is at the heart of everything we do. We are leaders of best practice and excellence in governance, advocacy, consultation, and administration. Our processes, procedures and policies are ethical and transparent.

Goal 6.3 Council and Local Authorities

Excellence in governance, consultation administration and representation.

Goal 6.5 Planning and Reporting

Robust planning and reporting that supports the Council's decision-making processes.

Not Applicable.

STRATEGIC IMPLICATIONS

This report aligns to the following pillars and goals as outlined in the *Regional Plan and Budget*: **PILLAR 4 SERVICE DELIVERY AND BUILT ENVIRONMENT**

We provide high quality infrastructure and service delivery that meets the unique needs of each community, creates a sense of place, and contributes towards promoting a sense of pride in community.

Goal 4.1 Strategic Infrastructure and Asset Management

Strategically manage, maintain and enhance community infrastructure.

Goal 4.2 Fleet, Plant and Equipment

Provide a modern and well-maintained fleet of plant and vehicles capable of meeting service delivery requirements.

Goal 4.3 Waste and Water Management

Deliver environmentally and economically sound solid waste, water, and sewerage services.

Goal 4.4 Local Road Management and Maintenance

Tactically monitor, maintain, and manage Council gazetted roads and community safety via traffic management.

PILLAR 5 SUSTAINABILITY AND CLIMATE ACTION

Leading by example, we commit to developing a culture of sustainable practice. We recognise and champion the importance of safe-guarding our environment for future generations by working collectively with community, private enterprises and all tiers of government.

Goal 5.1 Recycling and Waste

Develop recycling and waste initiatives which protect and preserve community natural resources and the local environment.

Goal 5.2 Procurement

Develop and implement a leading-edge sustainability procurement strategy.

Department of THE CHIEF MINISTER & CABINET

Roles and Responsibilities of Local Authority Members

Course overview

- The role of a local authority member
- How are local authorities formed?
- What is the business of the local authority
- What is the business of council
- Responsibilities of local authority members
- Engaging your community
- Local Authority Project Funding

1. What is the role of a local authority member?

A local authority member is the voice of people in their community. Their role includes:

- Supporting your community to have a say in council business.
- Providing recommendations to the council.
- Let the community know what the council is doing.

Warruwi Local Authority Tuesday 11 March 2025

2. How are local authorities formed?

- It is the Minister for Local Government that picks the local authorities for your regional council.
- The council creates the local authority and the area it covers.
- The council will decide on the number of members for the local authority.
 - 6 is the minimum number and 14 is the maximum.
- The local authority includes at least one council member from the local authority's ward.

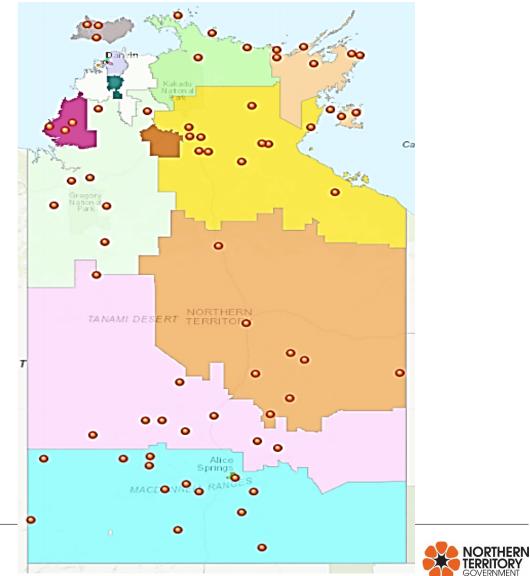

Where are the Local Authorities?

There are currently 67 Local Authorities Local Authorities are connected with the following regional councils:

- Barkly
- Central Desert
- East Arnhem
- MacDonnell
- Roper Gulf
- Tiwi
- Victoria Daly
- West Arnhem
- West Daly

3. What is the business of a local authority?

Local authorities work with their communities and their council on local issues and priorities.

The Local Authority provides advice to the council on:

- budget
- priorities for expenditure
- service delivery
- regional plans
- strategic directions
- funding

4. What is the business of council?

The business of a council in the Northern Territory includes making decisions on services and infrastructure to the council area such as:

- waste collection
- roads
- street lighting
- libraries
- parks and gardens
- community events

Regional councils also often deliver services such as aged care, disability services, youth programs and early childhood/child care. They help plan and deliver community projects that have been identified as priorities by each local authority.

5. What are the responsibilities of local authority members?

Local Authority members:

- Attend meetings (meetings must be held at least 4 times a year)
- Make recommendations to council about issues in their area
- Provide recommendations to council about Local Authority Project Funding
- Exercise any delegated powers from the council
- Comply with the code of conduct
- Act in the best interests of your area
- Declare any conflicts of interest

Code of Conduct

The Code of Conduct outlines the expected behaviour of council and local authority members.

The Code of Conduct requires members to:

- Be respectful to each other and council staff; of culture and diversity; and of confidential information shared with them.
- Declare conflicts of interest and gifts that may influence their decision
- Be accountable to the community and act in the interests of all
- Take part in training where required.

Warruwi Local Authority Tuesday 11 March 2025

CODE OF

CONDUCT

5. What is the role of the Chair?

The Chair is appointed by the Local Authority members.

They have the same roles and responsibilities as other local authority members, but they also have some extra roles. These include:

- Chairing meetings of the local authority
- Running a good meeting, keeping everyone on track and respectful.
- Making sure all voices are heard and the local authority is making good recommendations to the council.

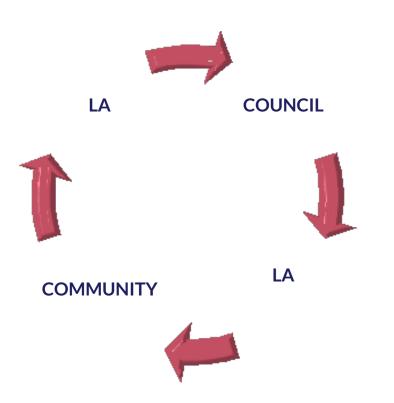

6. How can I perform my role well?

You should know what is going on in your community.

Talk to the community about their concerns and what they would like council to do for them and provide this feedback to council.

Think about the information and the options and what the community needs.

It is important to ask questions about things that are not clear and seek more information.

7. Local Authority Project Funding

Each local authority has a bucket of money to assist with local projects.

- You should talk to your community about what is needed and make recommendations for how this money should be used. e.g playgrounds or street lighting.
- You might also want to use the money to support the local authority and local councillors to understand their roles and how to achieve the best outcomes for the community.

Resources

For more information, view the following resources:

- The Local Government Act 2019 at Part 7.2 talks about declaring interests, conflict of interests, and gifts and benefits.
- The Code of Conduct is contained at Schedule 1 to the Act also covers the areas in this module.
- The Local Authority Project Guidelines can be found here: <u>https://cmc.nt.gov.au/_data/assets/pdf_file/0010/595585/lo_cal-authority-project-funding-guidelines.pdf</u>
