REMOTE FOOD SECURITY PLAN LAUNCHED

West Arnhem Regional Council Mayor James Woods met with Minister for Indigenous Australians, Senator Malarndirri McCarthy and Member for Lingiari Marion Scrymgour MP in Maningrida this week at the official launch of the Remote Food Security Strategy rollout for regional and remote communities.

Mayor Woods expressed his support of the strategy, stating, "The release of the Remote Food Security Strategy is a significant step forward for remote communities, which will no longer be forced to endure unacceptable food insecurity. Access to affordable food will improve the health and wellbeing of our communities."

The Minister's visit also provided an opportunity to discuss key regional issues and showcase important

Council-led projects in the community.

"To deliver meaningful projects that improve the quality of life for residents in West Arnhem communities.."

Accompanied by Member for Arafura Manuel Brown MLA and Council's Interim Chief Executive Officer Ben Waugh, Mayor Woods led a walk-through of the Maningrida changerooms development. Supported by the National Indigenous Australians Agency (NIAA) and managed by the West Arnhem Regional Council

(WARC), this exciting project is taking shape for the Maningrida community.

Mayor Woods appreciated the chance to sit down and discuss other topics with Minister McCarthy including the recently completed Maningrida airport structures designed specifically to support families during sorry business, economic development opportunities and additional funding for community safety initiatives, public lighting and road upgrades.

The meeting highlighted the importance of collaboration across all levels of government to deliver meaningful projects that improve the quality of life for residents in West Arnhem communities.

The Council thanks Minister McCarthy for this valuable opportunity.

NEW BOLLARDS INSTALLED AT OVAL

New bollards have been installed around the Maningrida cricket oval, marking a step forward in improving the area. The project, carried out by contractor JMK on behalf of West Arnhem Regional Council, was completed last month and included the addition of two entrance gates.

These upgrades aim to support future planning and development of the site,

enabling the possibility of additional infrastructure. The bollards also serve to prevent vehicles from driving onto the park area, enhancing safety for both users and community members.

The initiative was made possible with support from the Maningrida Local Authority, reflecting a collaborative effort to improve community spaces.

Announcing the NAIDOC 2025 Theme: "The Next Generation: Strength, Vision, Legacy".

As we celebrate 50 incredible years of NAIDOC Week, we honor the achievements of the past while looking boldly to the future.

This year's theme is a tribute to the resilience of our communities, the vision of our leaders, and the strength of the next generation.

From the wisdom of our Elders to the courage of our youth, NAIDOC 2025 is about building a legacy of unity, respect, and self-determination.

Join us as we commemorate this powerful milestone and celebrate a movement that continues to grow, evolve, and inspire.

Together, we walk forward, honoring where we've come from and embracing the bright future ahead.

become an iconic feature of National NAIDOC Week and has a rich and significant history beginning in 1967 when the National Aboriginal and Islander Day Observance Committee (NAIDOC) first began producing posters. NAIDOC posters have been exhibited by various Australian cultural institutions such as the National Museum of Australia and reflect not only the many significant social changes that have occurred since 1967 but also the evolution of art over the years.

Each year the National NAIDOC Poster Competition encourages Aboriginal and Torres Strait Islander artists aged 16 years and over to submit their artwork which reflects that year's National NAIDOC Week Theme.

The Kakadu Youth, Sport and Recreation team are working hard to ensure that all youth within the Kakadu Ward are included and able to access our services.

This is being achieved by increasing service provision during the evening and on weekends as well as strengthening operational stakeholder relationships so they can assist with transport, supervision and resources.."

"Strengthening operational stakeholder relationships so they can assist with transport, supervision and resources.."

The Kakadu Youth, Sport and Recreation team now regularly have participants from nearby outstations such as Whistle duck, Headquarters and Mudginberri as well as outlying locations such as Jim Jim Ranger Station.

As we continue to improve service

provision we hope to further increase outstation youth participation to ensure that the Kakadu Ward Youth, Sport and Recreation program can be enjoyed by all youth and community members within the ward.

Wellbeing Services Coordinator for Jabiru Aden Reeves said, "It is imperative that our Youth, Sport and Recreation services are accessible by all community

members within our ward! Improving and increasing service delivery to ensure equitable participation between all youths within our ward is a goal our team has been working towards for some time. To see it now coming to fruition is an amazing feeling and a true testament to the hard work and dedication of our Youth, Sport and Recreation officer Leah Holt-Narul."
