

Mala'la Health Service Aboriginal Corporation held Healthy Skin Week throughout the Maningrida community from 3-7 March 2025.

## HEALTHY SKIN WEEK IN MANINGRIDA

Maningrida was abuzz with activity as Healthy Skin Week ran from 3-7 March, bringing the community together for an important health initiative. Throughout the week, Malala Health workers were hard at work conducting skin checks for scabies, a leading cause of rheumatic heart disease (RHD).

Now in its third year, Healthy Skin Week has contributed to significant improvements in skin health and a reduction in RHD cases. Malala extends its gratitude to Josh and Jen from the Menzies School of Health Research for their assistance with educational sessions and to the team at Nja-marléya Maningrida for their invaluable support.

A free mobile laundry service was also available throughout the week. Community health workers operated a daily van that travelled to different areas around town, offering free laundry services to ensure everyone had the opportunity to stay clean and healthy. Since

2020, Malala has partnered with Orange Sky Australia to bring this essential service to Maningrida.

The team also had a wonderful time engaging with mums and bubs at Maninyngkarirra Child & Family Centre. The group discussed the importance of maintaining strong skin, preventing scabies, and keeping homes clean to stay healthy. Special thanks go to Ndjébbana woman Patricia Gibson and Burarra women Tiffy Taylor and Natasha

Dempsey for sharing their insights in language, helping to reinforce these vital health messages.

Healthy Skin Week continues to make a meaningful impact in Maningrida, empowering families with knowledge and resources to maintain good skin health. Remember, if you have any skin sickness, visiting the clinic is the first step towards recovery.

You can find out more about Malala and their work here: <https://malala.com.au/healthyskinweek>

### SHOUT OUT TO GUNBALANYA TEAM

Council wishes to acknowledge the incredible efforts our Gunbalanya team is putting in.

PAGE 2 >

# BIG SHOUT OUT TO COUNCIL TEAM IN GUNBALANYA

West Arnhem Regional Council (WARC) wishes to acknowledge the incredible efforts our Gunbalanya team is putting in, day in day out.

The teams, including youth, sport and recreation, utility support contract officers (USC) and community care and night patrol, are always going above and beyond to gain the best outcomes for community and Council. Over the last two weeks, WARC put a team together to tackle the ongoing concern of bush fires by pushing in firebreaks around the community boundary and mowing all the public areas.

Council has also carried out minor road works by filling in potholes in high traffic areas temporarily until the wet season comes to an end. Further works will continue in the dry season to allow more effective repairs. The team has also been focusing on hard rubbish collection and weed management in some of the problems areas.

Meanwhile, the school holiday program is well underway, with our youth, sport

and recreation team facilitating daily activities including football, disco nights and fun activities to include all ages along with great giveaway prizes.

For our elderly people and NDIS clients, the Community Care team have been providing great meals which, breakfast and lunch and has been well received in the community with very positive feedback.

*"Acknowledge the incredible efforts our Gunbalanya team is putting in, day in day out.."*

Our USC and works team had been busy coordinating maintenance and mowing at the aerodrome facility, with a break in the weather the team managed to address many outstanding maintenance issues.

All employees in Gunbalanya assisted in some way, shape or form in these tasks - showcasing their dedication and commitment to WARC and the community.

Traditional Owner Walter Nayinggul commented that the community is looking really great.

"Looking good around the community, thank you, us rangers will help keep it managed," he said.

WARC Senior Works Officer Damian Blair said he is, "Very appreciative of the efforts put in by WARC staff to help make an impact for the betterment of the community."

# WIRE

West Arnhem Regional Council acknowledges the First Nations Custodians; and the many Language and Family groups who are Managers and Care-takers to each of their Traditional homelands and Waters across the West Arnhem Regions Wards. West Arnhem Regional Council pay their respects and acknowledge Elders, past present and rising.

The Wire is the only regular source of news and information in the Kakadu and West Arnhem Land region. More than 500 copies are distributed fortnightly to Jabiru, Warruwi, Minjilang, Maningrida and Gunbalanya.

Our electronic edition goes out to more than 500 individual email addresses across West Arnhem Land and the Top End.

The Wire accepts advertising from businesses and government organisations. Placement of ads is subject to editorial and Council policy.

Our competitive rates start from as little as \$72 (including GST). Call 08 8979 9465 today or email [wire@westarnhem.nt.gov.au](mailto:wire@westarnhem.nt.gov.au) to discuss how we can help you spread your messages around West Arnhem Land.

# COUNCIL APPOINTS NEW CHIEF EXECUTIVE OFFICER

Following a national recruitment campaign, West Arnhem Regional Council (WARC) is pleased to announce the appointment of Katharine Clare Murray as its new Chief Executive Officer (CEO).

Katharine brings extensive leadership experience as the CEO of multiple Indigenous organisations, along with a deep commitment to advancing WARC's mission of delivering meaningful and lasting outcomes for remote communities.

Her appointment marks an exciting new chapter for the Council as it continues its journey of building stronger communities across the West Arnhem region. With fresh opportunities on the horizon, this is an important time for WARC to build on its successes and shape a thriving future.

Mayor James Woods extended a warm welcome to Katharine as the new Chief Executive.

"On behalf of Elected Members, we look forward to working with Katharine as she leads our Council into 2025 and beyond," he said.

"Her extensive experience and deep understanding of Indigenous communities will be invaluable as we continue

delivering strong community-driven outcomes. Together, we will strengthen our West Arnhem communities, create meaningful opportunities for our people, and foster a future built on sustainable development. We look forward to walking together in both worlds."

Katharine shared her enthusiasm for the role.

"Thank you Mayor and Council. I see this role as an exciting opportunity to bring my commitment to community led outcomes whereby Indigenous voices are at the centre of decision making, balancing cultural, social and economic priorities. I will be focusing on building a strong engaged workforce that will meet Council and community needs, increasing economic sustainability, enhancing

service delivery to meet community needs and building strong partnerships with government and private sector partnerships," she said.

Katharine takes on the leadership role from former CEO Andrew Walsh who resigned earlier this year.

Mayor Woods acknowledged Andrew's significant contributions during his tenure.

"Our Council and communities are strong. Andrew's leadership and dedication to working alongside community have played a key role in shaping WARC's journey to this point."

Katharine will officially commence in the role on 28 April 2025.

Please join us in welcoming Katharine as she embarks on this exciting new chapter with West Arnhem Regional Council.

## REMINDER ABOUT NEW JABIRU BY-LAWS

This is an important reminder about the new West Arnhem Regional Council (Jabiru Town) By-Laws 2024 regarding animals in the Jabiru township.

Some penalties related to dog and animal management have increased, specifically:

- Keeping prohibited animals (such as cats and chickens); and
- Penalties for dog attacks.

Please remember:

### Dog Ownership Regulations

- A maximum of two dogs per household is permitted.
- All dogs must be registered and kept under control at all times.

### Prohibited Animals

- Keeping prohibited animals will result in high penalties.

### Responsible Pet Ownership

- Ensure your dogs are registered.
- Keep your dogs on a leash when in public areas.
- Do not allow your dogs to become a nuisance through excessive barking or aggressive behaviour.

Council encourages all residents to familiarise themselves with the new regulations and appreciates the community's input and cooperation.

For more information or to obtain a copy of the full By-laws, please visit the Council office in Jabiru Plaza or [www.westarnhem.nt.gov.au](http://www.westarnhem.nt.gov.au).

## PUBLIC NOTICE

### West Arnhem Regional Council (Jabiru Town) By-laws 2024 approved

West Arnhem Regional Council is pleased to announce that the new by-laws for Jabiru will come into effect on January 1, 2025, replacing the six existing by-laws for the Jabiru Town.

The *West Arnhem Regional Council (Jabiru Town) By-Laws 2024* were approved at a Special Council Meeting on December 6, 2024, and subsequently received the Minister's approval on December 17.

The new by-laws ensure the ongoing maintenance and regulation of the Jabiru Township. This transition marks the conclusion of a three-and-a-half-year journey following the cessation of the Jabiru Town Development Authority. The prior Jabiru Town Development By-Laws, which were set to expire on January 1, 2025, have been transitioned into the new framework. The drafting process began in May 2021 with numerous revisions and community consultations before finalising the new by-laws.

Some penalties related to dog and animal management have increased, specifically:

- Keeping prohibited animals (such as cats and chickens); and
- Penalties for dog attacks.

**Table of animal penalties (changes are highlighted in yellow):**

By-Law		Max. Penalty Units	Old Penalty Units	New Penalty Units	Penalty in \$
44(3)	Keeping a prohibited animal	50	2	10	1850
47	Abandons or sets at large an animal	50	2	2	370
50(1)	Keep unregistered dog longer than 3 months	50	2	2	370
51(2)	Failure to comply with conditions of registration	50	1	10	1850
52(3)	Failure to notify change of address	10	1	1	185
53(1)	Keeps more than 2 dogs	20	1	1	185
54(4)	Failure to keep dog out of restricted area	50	2	2	370
56(3)	Dog attack	100	9	20	3700
63	Failure to comply with conditions of dangerous dog	100	9	9	1665
64(2)	Entices or incites a dog to attack or menace	50	2	2	370
65(8)	Dog causes a nuisance	50	2	10	1850
67(3)	Fails to collect dog from pound	50	2	2	370
69(7)	Fails to comply with by-laws relating to diseased dogs	50	3	3	555

Council encourages all residents to familiarise themselves with the new regulations and appreciates the community's input and cooperation to ensure a smooth transition.

The new By-Laws are available on our website: <https://westarnhem.nt.gov.au/corporate-documents>

## WHAT'S ON

Fri 25 ANZAC Day

29-30 West Arnhem Regional Council Ordinary Council Meeting, Jabiru

## CELEBRATING HARMONY WEEK

Harmony Week is an annual celebration of cultural diversity, it promotes inclusiveness, respect, and a sense of belonging for all Australians. To celebrate Jabiru Childcare has asked all visitors to trace their handprint onto orange paper. Orange represents social communication, meaningful conversation, and the freedom of ideas.

These handprints will be used to make leaves on a Harmony tree. We also asked all children and educators to wear orange

on Wednesday 19th March. The children contributed by placing their handprint on a canvas which will be displayed at the service.

To further celebrate Grace (pictured) came to the service and performed her cultural dance. Grace was wearing the dance costume and performed a traditional dance from Kiribati.

On behalf of the educators and children we thank Grace for contributing to our Harmony week celebrations.

## PROTECT YOURSELF AGAINST MELIOIDOSIS

NT Health is warning Territorians and visitors to the Northern Territory (NT) to be on alert for melioidosis following recent periods of heavy rain.

In the past week, five cases of melioidosis have been notified in the NT. Since the beginning of the wet season on 1 October, 2024, 28 cases of melioidosis have been notified in the NT.

Melioidosis bacteria live deep in the soil. Heavy rainfall during the wet season brings the bacteria to the surface, increasing the risk of exposure.

Last wet season (1 October 2023 to 30 April 2024) there were 72 cases of melioidosis and five deaths reported in the NT. This compares to 87 cases and six deaths reported during the 2022 – 2023 wet season.

Melioidosis bacteria most commonly enter the body through cuts and sores, so it is important to cover and protect your skin where possible. Wind can cause the bacteria to be blown into the air, which can then be inhaled through dust and droplets.

Melioidosis often causes lung infections presenting with fever, cough and shortness of breath. It can also affect many parts of the body causing abscesses and sores that don't heal. Most people experience the first symptoms of melioidosis one to 21 days after exposure to the bacteria.

At this time of year, health professionals in the NT are on the lookout for possible

melioidosis cases, as it is important treatment is started as soon as possible.

If left untreated, melioidosis can lead to severe pneumonia and blood poisoning, with around 10 per cent of infections in the NT leading to death.

The risk of melioidosis is greater in those who may be immunocompromised by diabetes, heavy alcohol consumption (including binge drinking), kidney or lung disease, immunosuppressive therapy especially with steroids, and those with cancer or advanced age.

To protect yourself against melioidosis, it is important to:

- Wear covered waterproof footwear when outdoors
- Wear gloves while working in the garden or a soil-based environment
- Wash then cover sores and abrasions with waterproof dressings
- Wear a face mask while using high pressure hoses around soil and paths
- Stay indoors during heavy wind and rain
- Seek medical attention early.

Everyone, particularly those people with high risk factors, need to take action to protect themselves from melioidosis. Anyone concerned about having melioidosis symptoms should visit their local GP, clinic or hospital.

# VOTE FOR WEST ARNHEM YOUTH PROJECTS

West Arnhem Regional Council has nominated the 'Stop the Drop' song project and the West Arnhem Youth Leadership Summit in the 2025 National Awards for Local Government!

These nominations are a testament to the power of community-driven initiatives and the vital role young people play in shaping their futures.

*"A testament to the power of community-driven initiatives and the vital role young people play in shaping their futures.."*

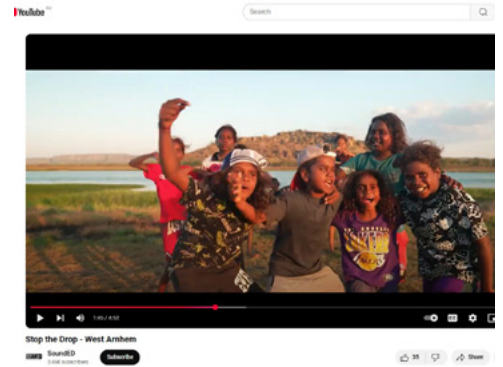

The 'Stop the Drop' project is an innovative community education initiative that aims to inspire care for country across West Arnhem Regional Council's wards. By engaging youth and the broader community in discussions about litter and its environmental impact, the program encourages meaningful conversations and drives behavioural change across the region.

Conducted during school holidays, the project brought together multiple community stakeholders to create a song that truly reflects the perspectives and concerns of local youth. Their lyrics are a powerful call to action:

*Stop  
Think about it  
What are you going to do?  
Stop that drop!  
Keep our country clean for me and you!  
It's in our hands to take a stand  
Come together as one*

The West Arnhem Youth Leadership Project is an annual initiative that brings young people together from across West Arnhem Land to explore leadership, identity and action. Through team building, co-design and collaboration, students identify needs in their communities, develop real-world solutions, and pitch them to Traditional Owners, Aboriginal Corporations, Elected Council, and government representatives. Their ideas are not only heard - they inform strategic direction for the region.

Please show your support for voting for these two amazing initiatives in our region!

# MANINGRIDA AFL GRAND FINAL SHOW DOWN

On Saturday, 22 March, the Maningrida AFL grand finals were held at Maningrida Oval. The day was a huge success thanks to the tireless collaboration of West Arnhem Regional Council, Nja-Marleya, AFL NT, NIAA and numerous other stakeholders in providing a well-maintained oval, barbecue on the day, scoreboard facilities and activities for juniors prior to the main events.

*"The day was a huge success thanks to the tireless collaboration.."*

The day started with a junior's scratch match which was well attended and highly entertaining. The women's game was then played and was highly competitive and a great watch. The men's grand final show down then began with team chants, cheerleaders, amazing banners and finally a show down for the ages. After four hard fought quarters the Magpies came out on top with the final score being 8-12-60 Magpies to 7-5-47 Hawks. Well done to all players as well as staff involved in the facilitation of the event. A great day was had by all. Thanks to the team - Edward Dudanga, Samuel Nowicki, Aden Reeves, Scott Page, Works Crew and Shianne Davis!

# AFTERNOON OF FUN AND FOOTBALL IN JABIRU

On the evening of Thursday 27 March 2025 West Arnhem Regional Council, through their Youth, Sport and Recreation Program (YSR), engaged the services of AFL NT to deliver an afternoon of AFL drills, activities and games. AFL NT representative Kieran Mulholland travelled from Darwin and provided our YSR participants with many hours of skill and team building drills followed by some very competitive games. This event was an outcome of the Youth Leadership Summit.

The event was supported by Richard Tambling from CLONTARF who provided assistance in facilitating the

event as well as providing transport to a number of youths from outstations nearby to Jabiru.

Red Lily Health also collaborated in the event with Ed Spilsbury, the Social and Emotional Wellbeing Officer, and Kia Gowler, the Tackling Indigenous Smoking Officer, providing a strong message about 'No Smoking' and providing general assistance with the barbecue and facilitating activities.

A very special shout out needs to go out to Jake from Caulfield Grammar for organising accommodation for Kieran from AFL NT, JAS Deputy Principal Dan for

coming down and joining in even with a damaged hand and finally the NLC for providing a number of salads to go with our barbecue.

In total, there was 41 youth participants who attended and participated. A number of community members also came down to watch the event and take advantage of the barbecue.

We would like to extend another big thank you to Kieran from AFL NT for the wonderful evening and we cannot wait to see you back for our YSR School Holiday Program in April.

Wellbeing Services Coordinator for Jabiru Aden Reeves said, "Our Youth, Sport and Recreation program within Jabiru is really gaining momentum which is a true testament to the dedication and hard work of our YSR Officer Leah Holt-Narul. This event is the first of many and was planned as an opportunity to increase familiarity with Kieran from AFL NT as our regional representative due to a planned increase in service delivery in the next few school terms, both within the school setting and the YSR setting. Thanks to all involved!"

# CULINARY DELIGHTS AT COMMUNITY CARE CENTRE

Aged Care and NDIS clients in Gunbalanya have been enjoying the meals going out with the West Arnhem Regional Council Community Care meals on wheels service, in addition to our bacon and egg breakfasts at the centre every week day morning. Fish curries, beef stroganoff, goulash with gnocchi and the crowd favourite creamy meatball pasta are among the many dishes that delight and surprise our clients every week day. Each meal goes out with a dessert of freshly baked, expertly crafted cakes, muffins or puddings. The feedback from clients has been overwhelmingly

positive as our staff members have been enjoying flexing their culinary muscles.

Our entire team is taking a lot of pride in this service, with all of the staff working hard to cook, clean and deliver such a high-quality service. It brings us great joy to know that we are serving the community so admirably," said Gunbalanya Wellbeing Services Coordinator Ilan.

"It's good to hear all the positive feedback from the clients about the meals that we've been providing," said Gunbalanya Community Care Team Leader Alison.

# ACTIVITIES GALORE DURING GUNBALANYA SCHOOL HOLIDAYS

The recent Gunbalanya school holiday program was in full swing with lots of exciting activities, competitions and prizes to be won.

With pool, painting and 3x3 Basketball competitions among many activities that Sam and his crew will be hosting this fortnight.

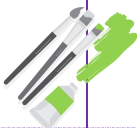

There were plenty of prizes on offer at the Thursday night discos, including a bike that was won after an intense dance off finale. The discos were held in conjunction with Adjumarllarl at their recreation centre.
